

Kiwanis Club To Sponsor Lecture

Jacques D'Albert, world traveler and lecturer, will give an address in the Beaverton high school June 28, at 8:00 p. m. The Beaverton Kiwanis Club is sponsoring the attraction. Admission is free and everybody is invited. Mr. D'Albert was one of the 100 men with Admiral Byrd. His talk will be on his adventures in the Antarctic. His narrative will deal not only with high lights of the voyage from Boston enroute to the Bay of Whales, but as well with the interesting experiences on the antarctic continent.

Billstin Home On Visit

Mr. Charles Billstin and wife, the former Mrs. Dort, who surprised their friends about a year ago by slipping away and getting married, were back shaking hands with friends here Wednesday.

Mr. Billstin is a graduate of Beaverton school and Portland Business College and served a number of years on the election board. They have been living near Spokane, Wash., the past year, and also traveled some in Idaho, where they saw some fine country, according to Charles' conversation.

Korber Opens

The beautiful, newly modernized and enlarged Korber Jewelry store was formally opened June 19th. Mr. O. Korber established his first jewelry store in Portland 34 years ago at First and Washington street. He moved a few years later to Third and Washington and in 1919 established his business at his present location, SW 4th and Alder. The new store, now double its former size, has been completely remodeled inside and out and new furniture and fixtures have been installed. It's worth a trip into the city just to see it.

ALEXANDER LOUIS KARPSTEIN

Funeral services were held Tuesday at the Methodist church at Scholls for Alexander Louis Karpstein, age 73, of Beaverton Route 1. Interment at Mountsideside cemetery.

His wife, Antonia, eleven children, two grandchildren, three brothers and two sisters survive.

Church Notices

CHURCH OF CHRIST A Home-like Church

E. E. Coulter, Minister.

We enjoyed a large attendance at both morning and evening services last Lord's day regardless of the rain. We have two great services planned for next Sunday, at 9:45 a. m. the subject will be "In Him Is Life." You will get a new start in life in this service. Endeavor at 7 o'clock. Groups for all ages. Evangelistic service at 8 o'clock, sermon subject, "Excuses." This is sermon No. 2 on this subject. This will be children's night and will give a real demonstration of a Spiritualistic meeting with the Spirits writing messages on a slate and in fire. Come and see for yourself. A great gospel song service both morning and evening.

BEAVERTON ITEMS

Mr. and Mrs. Harry Hudson are presenting the community a new electric alarm bell, to be installed on the Rockaway fire house. The Hudsons are former residents of Beaverton who now live in Rockaway.

Judge H. D. Kerkman has invited the members of the Washington Co. League of Women Voters to be his guests at the Washington county home next Monday for an inspection of the home and its management.

An informal tea was held at the home of Mrs. Elmer Stipe Friday afternoon when between seventy-five and a hundred friends from Portland and Beaverton called. The gifts received by Mrs. Stipe on her installation as worthy grand matron were on display.

Miss Virginia Johnston, daughter of Mr. and Mrs. Robert Johnston, who has been visiting in Iowa for nearly a year, returned home the first part of the week. She was accompanied home by her aunt and uncle, Mr. and Mrs. Harold Spurrier and two girl friends, all of Cedar Rapids, Iowa.

Mr. and Mrs. R. M. Miller entertained ten guests at a dinner party Saturday evening in honor of Mr. and Mrs. C. H. Edmunds of San Francisco.

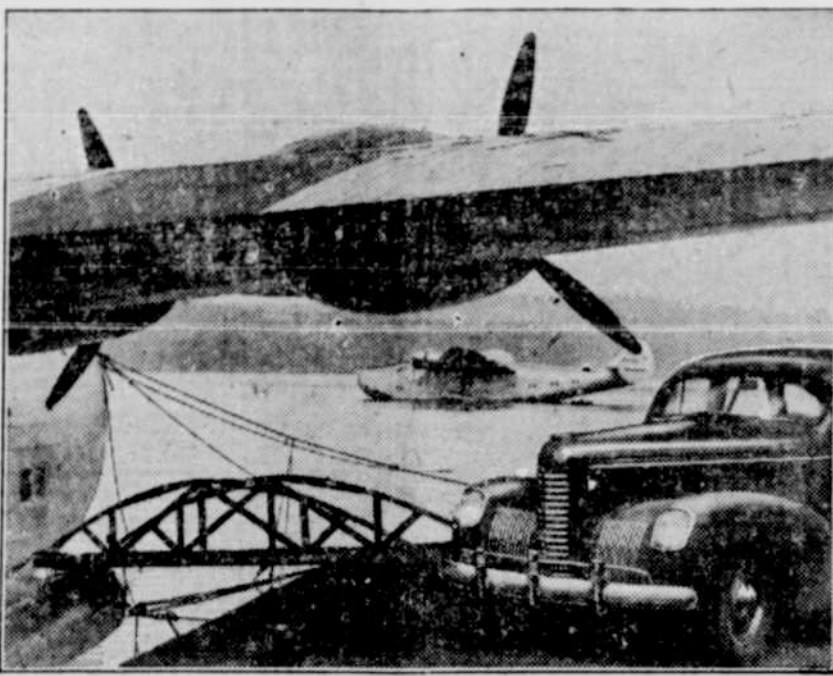

Frank Smith and son Dick were injured when a sidewalk fell on them as they were removing roots from under it. Mr. Smith's arm was broken and the tendons in Dick's arm were badly strained.

School election of Beaverton, Dist. 48, was held Monday night. After the reading of the clerk's annual report, Mr. L. W. Short was re-elected director, and Althea Haulenback was re-elected clerk, with no opposition.

Theo. Hetu, a member of Uncle Sam's Navy, arrived home Friday night for a two weeks' furlough.

Mrs. Dora Stipe, worthy grand matron, O. E. S., was a special guest of Rose City chapter, Portland, Monday evening, and was made an honorary member of the chapter. Other Beaverton chapter members attending were Mrs. Bertha Williams, Mrs. Stella Ellis, and Mr. Elmer Stipe.

Twin-Ignition Engines Power New Trans-Atlantic Clippers

These 40-ton leviathans of the air, which will be used by Pan American to blaze an air route over the Atlantic, are equipped with what could be termed "sure-fire" power plants. Like the engines of the finest automobiles, the Yankee Clipper power plants also use the twin-ignition principle. Greater reliability, smoother, more

powerful and more economical performance are assured by twin-ignition, according to engineers of Nash Motors, whose Nash Ambassador Sixes and Eights (one of which is shown beneath the wing of one of the 74-passenger planes) also have twin-ignition power plants.

WILLIAM BURNETT

William Burnett was buried Wednesday following services at the Holman & Lutz Colonial Mortuary, Portland. Interment was in the Lincoln Memorial Park.

FRANK SPENCER KELLY

Frank Spencer Kelly, 70 years, passed away June 18 at St. Vincent's hospital after three weeks' illness. Born in Lapeer county, Mich., Jan. 18, 1869.

Married Lulu Battees on Nov. 3, 1903.

He taught school in Michigan in Gladwin county twelve years. He and wife came to Beaverton in 1912, purchased a home near Beaverton where they made their home until about four years ago, then went to Nelscott. He was a retired mail carrier of the Beaverton area.

He is survived by his wife and one son, Dale, of Nelscott. There are no other close relatives, although a number of distant ones.

Mr. and Mrs. Everett C. Stout have returned to their home in Rose Lodge after visiting friends and relatives here for the past ten days. Friends of Mr. Stout will be glad to know he has fully recovered from a fractured shoulder injury received five weeks ago.

**"I thought I knew
all about automobiles!"**

A LOT of folks have had their eyes opened wide by a ride in a 1939 Ford V-8. They just didn't realize how much more value and how many improvements we've put in this car the last few years.

Today's advanced Ford is a product of progressive engineering, fine materials and honest

construction. It is backed by an experience of building far more cars than anybody else in the world.

One ride in today's Ford—with its smooth 8-cylinder engine, stabilized chassis, hydraulic brakes—will prove it's the modern car in the low-price field.
