Wholesale-Retail Home
Furnishings Handy for You
For Savings

Most people coming in to Portland from The Valley, come right down FOURTH Ave. This makes it mighty handy to stop at 824 FOURTH AVE. (next door to The Farmer's Co-op Market) and check up on the claims of THE TAYLOR MERCHANDISE CO., about their big variety of everything you need for the Home (except groceries); and their Wholesale-Retail ability to make you the best prices on what you need. Everything in Home Furniture and Furnishings (big and little items), stoves, ranges, electric appliances including refrigerators, washers, radios, electric fixtures and lamps, chinaware, glass ware, fireplace fixtures, paints and supplies, in fact most anything, both new and old.

They BUY, SELL and TRADE, so you will have no trouble in making your own satisfactory deal. This firm has a lot of good customers throughout the Valley, and we believe you will be equally satisfied. Mention this newspaper when you stop at their store. And, by the way, The TAYLOR MERCHANDISE CO., has a nice Invitational Merchandise News Advertisement in this newspaper this week. Look it up.

Want ads often do what everything else has failed to accomplish.
