REEDVILLE

M. A. Ketchum of Hazeldale, has
harvested his two acre trial crop of
sugar cane from his farm in that
district and the crop was processed
through co-operation of the Silver-
ton mill and yielded sixty-five gallons
of 98 per cent pure sorghum syrup
to the acre and the crop is now being
sold in containers of a gallon and of
less capacity for household use.
This is said to be the first sugar cane
crop ever grown in Washington coun-
ty. Further, it is said the soil
around Hazeldale, Reedville and
Aloha is exceptionally good for the
growth of sugar cane and any one
who would go into this line of farm-
ing would do well if the work were
done as well as it was at the Ket-
chem farm.

Greta Hesterlee who has been a
guest for some time at the home of
Mrs. Lyle Taylor of Hazeldale, has
returned to her home in the Tobias
vicinity.

F. H. Windsor who built a modern
five-room house on his place two
years ago has finished planting four
acres to filbert trees which is consid-
ered a worthwhile improvement and
a good investment. The Aloha-
Reedville section is noticeably adapt-
ed to filbert growing.

The Witch Hazel school has a few
children of marked records for regu-
larity in attendance this term.
Kennard Helvot, Delores Witte, Jun-
ior Crider, Marjorie Townsend, Lou-
ise Witte, David Frisby, Betty LeRoy
and Harry Hoeft have been neither
tardy nor absent from school since
the beginning of this term of school.
Good work, worth trying to continue.

Harvey Candeaux an eighth grad-
er here, has been out of school a
week because of a severely sprained
ankle but is able to be around again
and back to his studies.

A very nice Thanksgiving program
of playlets, songs and recitations was
given at the school Wednesday last
week.

Harold Davis, formerly a resident of
Reedville, but now of Twin Falls,
spent a day or two last week with
Mr. and Mrs. Wallace Hoeft.

Tom Maypole of Enid, Oklahoma,
who has been visiting at the home of
his daughter Mrs. Ray Estes and
family here has returned to his home

after about three months vacation in
Oregon which he likes very much.
The Estes home is in the Farmington
vicinity.

Mr. and Mrs. John Kamma and
sons Jack and Richard spent Thanks-
giving and the week end with Mrs.
Kamma's parents, Mr. and Mrs. C. W.
Mertz and sister Mrs. Byron Elliott
and family at Eugene.

Rallying Cry Against TB

For 35 years tuberculosis and the medi-
cal profession have been
spreading information that tu-
berculosis is pre-
ventable and cur-
able. A new
rallying cry,
used by Dr.
Thomas Parran,
Surgeon General of the United
States Public Health Service, is
"Tuberculosis can be eradicated
from this nation." The techniques
are available for reaching this
goal. Tuberculosis Christmas
Seals are helping to teach these
facts about the possible eradica-
tion of this disease.
