WEEKLY SCRAPBOOK

Week's Best Recipe:

Buttermilk Biscuits: 1 1/2c all-bran, 1/2c buttermilk, 1 1/2c flour, 1t baking powder, 1 t salt, 1/2 t soda, 1-3 shortening. Soak bran in buttermilk; sift flour, baking powder, salt and soda together. Cut in shortening until mixture is coarse. Add soaked bran; stir until dough follows fork around bowl. Turn onto floured board, knead lightly a few seconds; roll to 1/2 inch thickness and cut. Arrange on sheet lightly greased and bake in hot oven about 12 min. Yield: 12 biscuits.

DO IT NOW!

Take precautions against destruction by moths. Cleanliness is the best weapon. By washing or dry-cleaning your garments you will destroy perspiration and soiled spots that moths seek. Many dry-cleaners furnish moth-proof bags when you have winter garments cleaned for summer storage. Moth preventatives are useless unless clothes are rid of larvae that might be present in the cloth. Wash woollens lightly for this material is the one the moth usually destroys.

JUST A TABLE

Buy an inexpensive folding card table that can be stored in the kitchen. Use it for serving lunches to the children or for the young daughter who wants to learn to bake cookies. It is handy as an extra work-table and especially nice when entertaining and extra table space is needed for stacking dishes. It is used for pasting and painting for the young and is easily carried outside to be used on the lawn under a tree.

HOUSEHOLD HINTS

Don't discard the old screening you remove from the screens. You may need it for patching. Also, you may use a larger piece of screening in smaller window after cutting off the worn part. . . . keep a mop, duster and carpet sweeper on each floor and save yourself many extra steps. . . . Don't use hot water on varnished floor boards. Use a cloth wrung out in lukewarm water. Dry each section as soon as finished. . . . If your white curtains have become yellowed with use, dip them in eucalyptus and they will brighten the appearance of a dull room.
