U. S. Civil Service Exams For Inspector Positions

The United States Civil Service Commission has announced open competitive examinations for the positions listed below. Applications will be rated as received at the Commission's Washington office until further notice. The salaries given in each case are subject to a retirement deduction of 3 1/2 percent.

Inspector, powder and explosives, \$2,300 a year; also senior, \$2,600 a year; also junior, \$1,620 a year. Employment is in the Ordnance Department of the War Dept. Applicants must have had at least 18 semester hours' study in organic chemistry in a recognized college or university. Additional experience may be substituted for part of this requirement. For all grades except junior inspector applicants must have had experience in analytical work in a chemical laboratory, or inspection of powder and explosives. Applicants must not have passed their fifty-fifth birthday.

Inspector, ship construction, also senior inspector, \$2,000 and \$2,600 a year respectively. Optional branches are hulls, mechanical, electrical. Inspector, engineering materials, also senior inspector, \$2,000 and \$2,600 a year respectively. Optional branches are hulls, mechanical, electrical, and radio. Junior inspector, engineering materials, \$1,620 a year. Employment in these positions is in the Navy Department for duty in the field wherever assigned. Applicants must have had inspectional experience appropriate for the grade and optional branch. For the junior grade applicants must not have passed their thirty-fifth birthday; for the other positions they must not have passed their fifty-fifth birthday.

Full information as to the requirements for these examinations, and application forms, may be obtained from Secretary of the Board of U. S. Civil Service Examiners, at the post office or customhouse in this city, or from the Secretary of the Board of U. S. Civil Service Examiners, at any first- or second-class post office.

Bible Questions & Answers

1 Does the Lord consider it important that his children walk in the light?

A Walk while ye have the light, lest darkness come upon you; for he that walketh in darkness knoweth not whither he goeth. John 12:35.

2 When starting in the Christian Course, what must one do to obtain the benefits of the blood of Christ?

A But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his son cleanseth us from all sin. 1 John 1:7.

3 How long may the Christian expect light to shine on his pathway?

A But the paths of the just is as a shining light, that shineth more and more unto the perfect day. Prov. 4:18.

4 For whom is light sown?

A Light is sown for the righteous and gladness for the upright in heart. Ps. 97:11.

5 What will become of the light which a person has if he fails to improve by it?

A The light of the body is the eye; therefore when thine eye is single, thy whole body also is full of light; but when thine eye is evil, thy body also is full of darkness. Luke 11:34, 35.

6 Why are those condemned who do not come to the light?

A And this is the condemnation, that light is come into the world and men loved darkness rather than light, because their deeds were evil. John 3:19.

7 If one is really seeking for truth, what will he do?

A But he that doeth truth, cometh to the light, that his deeds may be manifest, that they are wrought in God. John 3:21.

8 What will those who reject light and truth, be finally led to believe?

A And for this cause God shall send them strong delusion, that they should believe a lie; that they all might be damned who believe not the truth but had pleasure in unrighteousness. 2 Thess. 2:11, 12.
