Mrs. George Snider and Mrs. Emory Van Klee were greatly surprised Tuesday night at the close of Grange meeting to find a group of their friends gathered in the Home Economic club room to help them celebrate their birthdays. They received a shower of tea towels and the rest of the evening was spent in playing cards.

Alfred Boyles won second prize in the amateur theatricals at the Washington county fair Saturday night.

Mr. and Mrs. Hollis Skeels and family moved to Cedar Mills on Saturday.

Mrs. J. H. Aten entertained a group of her son Jack's friends Saturday in honor of Jack's seventh birthday.

Miss Dorothy Van Klee returned home Saturday night from Portland. She is taking a few weeks vacation from her job due to high blood pressure.

Paul Gisselberg of Puget Island spent the week-end at the E. W. Wright home.

Mrs. John Glott is spending the week with her parents Mr. and Mrs. O. T. Murphy before moving to Prineville.

Mr. and Mrs. D. P. McNamee spent Saturday and Sunday visiting their son Dewey and his wife in their new home on the Oswego road near Tualatin.

William Van Klee left Friday for a visit with his uncle William Thompson at North Bonneville.

The E. W. Wright family and the J. H. Aten family and Paul Gisselberg celebrated the joint birthdays of Patricia Wright and Jack Aten Sunday with a picnic at Sellwood park in Portland.

Robert Pomeroy and Richard Teufel returned home Friday from their Elk hunting trip near Seaside. Robert Pomeroy brought home a large elk.

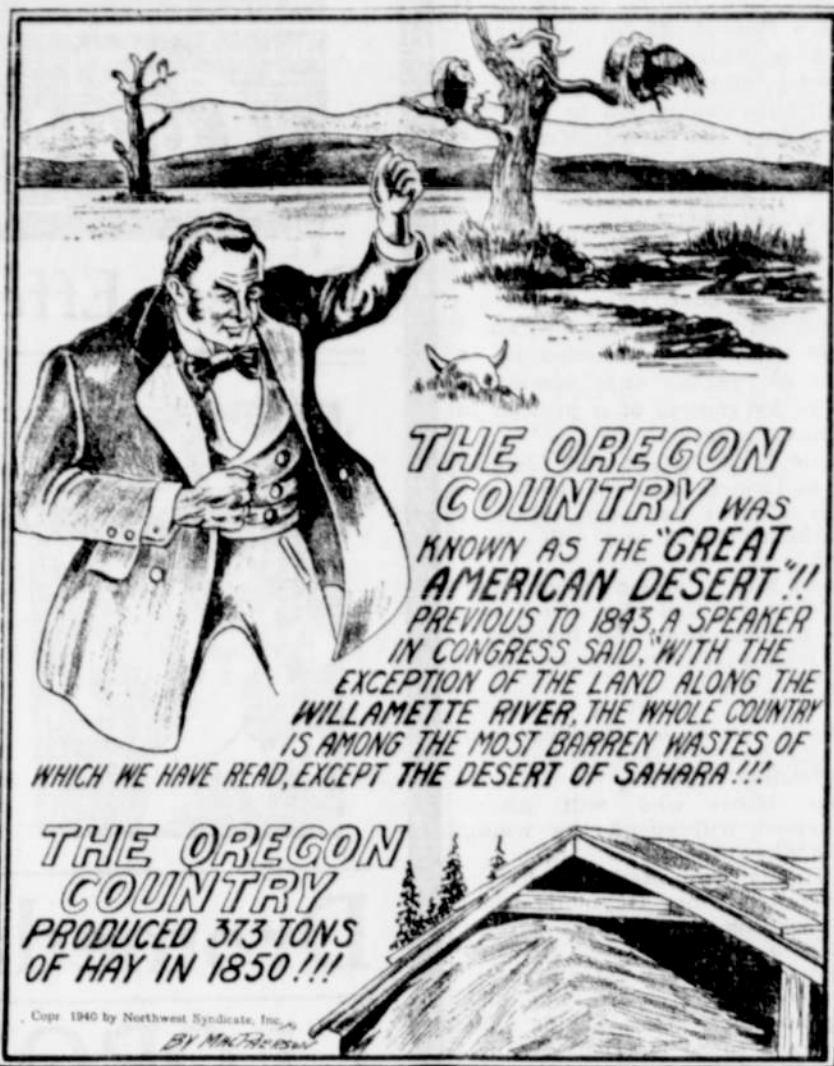

E. W. Van Horn and sons spent Saturday and Sunday hauling pigs to Salem where they have twelve pens entered at the State fair.

Caroline Dunn returned to her home in Portland last Tuesday after a week's visit with her aunt Mrs. Robert Pomeroy.

Miss Rosemary Aten spent the week-end at Yachats as the guest of her aunt Mrs. W. S. Bowen of Sherwood. She spent the remainder of the week at Sherwood as the guest of her grandparents Mr. and Mrs. J. E. Morback.

State Master George Sehlmeier of California is leading the California peach growers in an organization movement to secure higher prices for their product.

KNOW YOUR OREGON

Bible Questions & Answers

OUR WORDS

1 What righteousness rules are given to govern deportment?

A Let no corrupt communications proceed out of your mouth Eph. 4:29. But as he which hath called you is holy in all manner of conversation. 1 Peter 1:15.

2 What precious promise is written for those who follow these directions?

A To him that ordereth his conversation aright will I show the salvation of God. Ps. 50:23.

3 What is said of the happy conditions of such a one?

A Whoso keepeth his mouth and his tongue, keepeth his soul from troubles. Prov. 21:23.

4 Does it show wisdom sometimes to say nothing?

A Even a fool, when he holdeth his peace, is counted wise; and he that shutteth his lips is esteemed a man of understanding. Prov. 17:28.

5 What influence have kind words and their opposite, over others?

A A soft answer turneth away wrath, but grievous words stir up anger. Prov. 15:1.

6 Is there life-giving power in pure speech?

A A wholesome tongue is a tree of life. Prov. 15:4.

7 How deeply does the tongue of evil wound?

A There is that speaketh like the piercing of a sword. Prov. 12:18.

8 What seathing words are spoken of the hypocritical tongue, and what sentence pronounced?

A Thou lovest all devouring words. O thou deceitful tongue! God shall also destroy thee forever. He shall take thee away, and pluck thee out of thy dwelling-place, and root thee out of the land of the living. Ps. 52:4, 5.

CHRISTIAN SCIENCE CHURCH

"Man" is the subject of the Lesson Sermon in all Churches of Christ, Scientist, on Sunday, September 8.

The Golden Text is "The Spirit itself beareth witness with our spirit, that we are the children of God; and if children, then heirs; heirs of God, and joint-heirs with Christ". (Rom. 8:16,17.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thy hands have made me and fashioned me: give me understanding, that I may learn thy commandments" (Ps. 119:73).

The Lesson-Sermon also includes the following correlative passages from the Christian Science textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy: In Science man is the offspring of Spirit. The beautiful, good and pure constitute his ancestry. His origin is not, like that of mortals, in brute instinct, nor does he pass through material conditions prior to reaching intelligence. Spirit is his primitive and ultimate source of being; God is his Father, and Life is the law of his being (p63).

Model Home Open

At Hillsdale

A public preview of the first home sponsored by Montgomery Ward & Co., under its new program of participation in new construction, is scheduled for a two-week period at the five-room, gas-equipped residence on Sunset boulevard, according to E. L. Barth, manager of the Portland retail store.

Visitors will be received from 10 a. m. to 8 p. m. Sundays and holidays and from 6 to 8 p. m. on weekdays. The home is on Sunset boulevard, 600 feet north of Capitol highway at Hillsdale between Portland and Multnomah.

Based on a design rated the best for a small home out of 15,000 arrangements submitted over a long period to one lending agency here, this five-room home has comfort and roomy features typical of more costly homes. Built under FHA standards, the home shows the good features which are possible in small-home construction through better building practice.

It is designed for the family of moderate income so that the initial cost, monthly payments, operation, are kept low without sacrifice of quality, according to G. A. Hacking, builder.

The home will be opened to the public completely furnished with furnishings keyed to the income of the average family and in line with the cost of the house.

REEDVILLE

Alvin Becker, son of Mr. and Mrs. S. A. Becker, who graduated from Hillsdale last year, is leaving for Los Angeles where he will enter the Anderson Airplane Construction school September 3. He had enrolled in the school in January but was unavoidably detained from entering until fall.

Mr. and Mrs. Carl Trachel spent several days at the Oregon beaches.

Mrs. G. N. Allman, Eugene, is with her mother in law Mrs. Mary Allman, who is ill.

LeRoy Parish, son of Mr. and Mrs. K. L. Parish, who recently enrolled in the CCC at Vancouver, Wash., has been transferred to Heppner. He is taking a flight training course.

Roscoe Bennett has sold his five acre place north of Reedville.

The O.O.B. Pinochle club met Tuesday with Mrs. E. Christensen.

Annual World Precipitation

The annual precipitation over all of the oceans amounts to 80,000 cubic miles of water, according to estimates compiled by Dr. George F. McEwen of the Scripps Institution of Oceanography at La Jolla, Calif. The annual evaporation from the ocean surface is 89,000 cubic miles, so that the runoff from the land amounts to 9,000 cubic miles. The energy consumed in the process involves an expenditure of 500,000 horsepower from the sun for every square mile of the earth's surface.

WHITFORD

The Misses Margaret and Ruth West were hostesses for a miscellaneous shower at their home Wednesday, complimenting Miss Elaine McMinn. Music and games were entertainment features of the evening following the opening of the many gifts. Miss McMinn is the bride elect of Donald Mortimer, of West Slope and the wedding will take place September 13.

The Misses Margaret and Ruth West, Miriam Doty, Elaine McMinn, Lorraine Denney, David and Malcolm McMinn, Don and Glen Mortimer, Douglas Taylor, Bill West and Geo. Spriggle, all attended the Young Peoples conference at Rock Creek over the week end.

Mr. and Mrs. S. B. Lawrence and Mr. and Mrs. George Thynge were among those attending the McNary acceptance ceremonies at Salem Tuesday.

Mr. and Mrs. Elman Johnson, Charles West and Miss Rachael McLaughlin spent the week end at the beach.

Miss Marylin Miller is visiting at the home of her sister and brother in law Mr. and Mrs. George Freden at Grants Pass.

Marvin Denney accompanied his aunt and uncle Mr. and Mrs. Bennett DeShane to the beach for a few days.

The Rev. N. Taylor left Saturday for several days visit with his mother Mrs. Elizabeth Taylor and brother in law and sister Mr. and Mrs. Ferguson, all of Klamath Falls.

Mr. and Mrs. John Larson, who have been living for the past two months on what is known as the Starlet place on Denney Road moved last week.

Mr. and Mrs. Frank Kosmiski drove to Albany last Saturday. Mrs. Frank Miller went as far as Woodburn with them and stopped off there to visit friends.

The many friends of Charles Van Klee in this community are glad to learn he is recovering, though slowly, from the serious accident he had a few weeks ago when he fell from a load of hay and injured a vertebra in his back.

C. B. Gardner has been helping his former employer who conducts a restaurant in Portland.

Efficient Homemaking

Depends on Equipment

Efficient homemaking depends on the efficiency of the equipment used. Since appliances will not give the best service unless they are in good working order, Thelma Beall, home management specialist, Ohio State university, advises women to operate appliances as instructed, keep them clean, and oil as required and to watch electric cords and repair or replace them when worn.

The real cause for the failure of many electric appliances lies in the cord, appliance plug, or outlet plug. In handling the appliance cord, always grasp it by the plug and not by the cord itself. Rough handling is hard on the fine wires inside the cord and will eventually cause them to break and cut through the protective covering.

Electric washers give the best service when not overloaded with either clothes or water. In starting the machine, first start the motor and then throw the machine into gear. In stopping, throw the machine out of gear before turning off the motor. Keep the washer in a dry, clean place.

Best results with an electric iron come from keeping its sole or bottom surface clean and being careful not to scratch it. If the iron has a temperature regulator, current and time are saved by setting it at the proper point for the fabric to be ironed.

The vacuum cleaner is one of the most neglected pieces of equipment. Housewives too often pick up bits of glass, pins, or metal objects with the sweeper, which may clip the fan blades or make holes in the dust bag. Women are reminded that the dust bag is not a storage place for dirt. The bag should be cleaned regularly but never washed, as washing removes the "filter" which helps to make the bag dustproof.

The enameled parts of a range may be washed with soap and water or a mild abrasive when the range is cold. The metal may be polished with whiting or metal polish. Food spilled on electric cooking units is burned off and any particles left in the grooves can be brushed out. Electric refrigerators require little attention, although the food compartment needs cleaning at regular intervals.

Three Naval Reserve Cruises Announced

The number of young men applying for the second training cruise of the Class V-7 Naval Reserve, which leads to a Naval Reserve commission as Ensign, exceeded the quota allowed the Thirteenth Naval District, which includes the Pacific Northwest States of Oregon, Washington and Idaho, it was announced today by Lieutenant Commander L. B. Stuart, Navy Recruiting Officer at Portland.

Men are now being enlisted for the third cruise and the estimated quota is rapidly being filled. Those interested should not delay in making application as delay may result in their missing this opportunity to become commissioned officers in the Naval Reserve.

Coming cruises will be made by vessels of Battleship Division Five, to be designated at a later date, according to the following schedule recently approved by the Navy Department

Cruise No. 3—Monday, Sept. 30th to Saturday, Oct. 26th.

Cruise No. 4—Monday, Oct. 28th to Saturday, Nov. 23rd.

Cruise No. 5—Monday, Nov. 25th to Saturday, Dec. 21st.

Mrs. Irvine Dies

After Crash Thursday

Pearl Elizabeth Irvine, daughter of Mrs. Harriet Boose of route 1, Tigard, was dead Friday and George Spohrer, also of route 1, Tigard, was charged with reckless driving, following an automobile collision six miles west of Oregon City on the Oswego-Wilsonville Newberg highway last Thursday.

Mrs. Irvine died at the Oregon City hospital early Friday from chest injuries, fractured femur, fractured jaw and other hurts. A second woman, Mrs. Heinka Peters, Portland, was in serious condition as a result of the wreck and Spohrer and Mrs. Marie L. Thompson, Portland, incurred lesser hurts.

Funeral services for Mrs. Irvine were held Monday at Finley's Morninglight chapel.

George Spohrer, pleaded not guilty Saturday before Justice of the Peace Paul C. Fischer on a charge of reckless driving in connection with the accident. Judge Fischer boosted bail bond from \$500 to \$1000, pending further hearing. Spohrer allegedly failed to observe a stop sign before crossing the OWN highway.
