

Gadsby's Furniture Makes Unusual Offer To Valley Shoppers

Ben Gadsby of Gadsby's Furniture Company, SW First at Washington, has gone a step beyond the usual in offering our readers free credit of one dollar on a purchase if they bring Gadsby's advertisement with them. For the offer is not limited to expensive articles but applies upon any where the dollar represents a substantial part of the selling price.

This is in keeping with Mr. Gadsby's policy through which the business, established by his father, has seen a steady and sound growth over a period of 51 years.

Gadsby's reputation for offering greater values has been earned through years of square dealings which has brought the firm close to both its customers and the manufacturers. Then too, the store is located just outside the high rental district, where the lower real estate taxes on its own building represents a savings which can be passed along to the customer.

The great stocks at Gadsby's afford the shopper an opportunity to purchase anything from a piece of novelty furniture to furnishings for an entire home with the greatest possible variety to choose from.

You'll find Gadsby's easy terms more reasonable, and the courteous service of Mr. Gadsby and his competent staff of assistants make trading there a genuine pleasure. And the countless friends of Gadsby's in the Tualatin Valley know that they live up to their slogan—"We Pay the Freight."

When in town use Gadsby's free parking lot just next door. There's always room for your car.

Mrs. V. A. Wood attended a luncheon at the Campbell Court hotel Thursday, in which Mrs. Newman entertained members of the Daphne club. 12 ladies were in attendance.

Appointed on Staff Marylhurst Newspaper

Miss Margaret Moshofsky, daughter of Mr. and Mrs. G. E. Moshofsky, has been appointed a staff member of the Tower, Marylhurst college newspaper.

Miss Moshofsky is majoring in home economics, and journalism is her minor. She is a member of the Sodality, Treble Triad, the Choralists, and the Athletic club. She will sing with Treble Triad and the Choralists when they appear in formal recital, the evening of December 13, at 8:15.

WHITFORD

The West Slope Missionary society held its first meeting of the fall at the home of Mrs. Simon Forsberg, Thursday afternoon. The devotional service was in charge of Mrs. H. H. Spier. Mrs. Seivers, a missionary from Egypt, gave a most enlightening exposition about the religious work being done there in the Nile basin. She also displayed a number of curios in connection with her talk. Mrs. Seivers is remaining in this community for awhile doing personal work for the West Slope Community Sunday School and church which is held at the Gabel school house regularly on Sunday. A number from this community were in attendance at this meeting.

Mr. and Mrs. Bud Doyle and Katherine and Mr. and Mrs. Dick Hempke and family visited C. B. Gardner Sunday.

Mr. and Mrs. Frank Nicol of Canyon City Drive are now located at Long Beach, California, where Mr. Nicol was transferred by the Government engineering service.

Bob Denney accompanied by Don Vershem was due to arrive home Sunday evening. They drove from Detroit, Michigan, with two cars to be delivered here. They have reported zero weather most of the way.

Miss Francis Miller arrived at the home of her parents Mr. and Mrs. Frank Miller. Miss Miller has been doing secretarial work in Hawaii for the past two years. Her sister Ruth has recovered from the operation for appendicitis.

Mrs. Monroe of Latin America Mission, Inc., showed pictures of the people and the work the mission is doing. We of America cannot begin to realize the poverty, filth and hunger experienced by the natives. Much good has been done by bringing the natives into the church where they have been taught the lessons in

the Bible and have organized schools and many of the Spanish boys and girls have become ministers and nurses. Owing to the epidemic of flu there were not so many present as would otherwise have been. Many in the community are bedfast with the disease.
