CHRISTIAN SCIENCE CHURCH
"God the Preserver of Man" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 15.
The Golden Text is The Lord giveth wisdom: out of his mouth cometh knowledge and understanding. . . . He keepeth the paths of judgment, and preserveth the way of his saints. (Prov. 2:6,8.)
Among the citations which comprise the Lesson-Sermon is the following from the Bible: As birds flying, so will the Lord of hosts defend Jerusalem; defending also he will deliver it; and passing over he will preserve it. (Isa. 31:5.)
The Lesson-Sermon also includes the following correlative passages from the Christian Science textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy: Heaven is not a locality, but a divine state of Mind in which all the manifestations of Mind are harmonious and immortal, because sin is not there and man is found having no righteousness of his own, but in possession of "the mind of the Lord," as the Scripture says. (p. 291.)
