CHICK FEEDS

IF - IF - IF FARMERS
If you have that millionaire feeling. If you have more money than you want. If you don't care if you save or not. If you just don't give a hoot—then STOP right here. But if you are interested in the nickles and dimes that can be saved now as well as by health and production later you will buy Imlays' fresh chick starter. There is none better. That is not a phrase but a fact \$2.40 per 100 pounds. The same feed would cost you at least \$2.70 per 100 lbs. if shipped in and sold thru dealers, but we manufacture and sell direct to you. Therefore save you money. Our stores are as close to you as your phone, just call Aloha 6311 or Reedville 6272 and your order will be promptly delivered. Use our free efficient field service not a patent medicine salesman but a real help.

STURDY OLIVER "70"

STURDY is the word for Oliver
It's the quality you need in your farm implements. The smooth-asilk 6-cylinder engine gives you more power than the best six horse team. Yet an Oliver is always ready to get your work done faster, easier, and at lower cost. You owe it to yourself as a modern business man to see your Oliver Dealer. Find out why it is just plain common sense to use an OLIVER "70".
