Next time, try the train

THAT'S GOOD ADVICE

While driving around, you've probably seen those Southern Pacific signs that say, "next time, try the train".

Lots of people have taken that friendly advice. We know an automobile is handy, but the train offers real advantages—particularly on long trips.

Try the train, next time. We think you'll be glad you did.

LET A Planet Jr. DO YOUR WORK

While You Go for a Walk in the Garden

Cultivating a garden without a wheel hoe is like eating peas with a knife. It can be done but is it worth the effort? A Planet Jr. does your garden work better with a fraction of the effort. Whether you are farming for fun or a living you want equipment that will do your work the best way, in the least time and produce the greatest results.

Write for a catalog and find out for yourself how this can be done with Planet Jr. Garden Tools

A PENNY IS A LOT OF MONEY

Not to you perhaps, but it is to us. For this reason, Safeway makes many savings in distribution costs and it is our policy to pass them on to you by pricing every item at the lowest point costs will permit. Furthermore, while Safeway does not believe in selling below cost we will meet such prices if others make them. All to the end of earning your confidence that Safeway prices are always low—always right to the penny—every day on every item. That's why a penny is a lot of money to us—and why you can be sure of savings when you shop at Safeway.
