CHICK FEEDS

IF - IF - IF FARMERS

If you have that millionaire feeling. If you have more money than you want. If you don't care if you save or not. If you just don't give a hoot—then STOP right here. But if you are interested in the nickles and dimes that can be saved now as well as by health and production later you will buy Imlay's fresh chick starter. There is none better. That is not a phrase but a fact \$2.40 per 100 pounds. The same feed would cost you at least \$2.70 per 100 lbs. if shipped in and sold thru dealers, but we manufacture and sell direct to you. Therefore save you money. Our stores are as close to you as your phone, just call Aloha 6311 or Reedville 6272 and your order will be promptly delivered. Use our free efficient field service not a patent medicine salesman but a real help.
