

Hal Howard and his New York orchestra are now reigning supreme with their "Serenade in Satin" musical technique at the Golden Canopied Ballroom of Jantzen Beach Park. For style and rhythm, this is one of the outstanding bands of the country, as proven by the throngs of local fans who attended the opening of the park last week-end. His popularity has endeared the Beach management to extend Howard's engagement for every night this week and next except Monday's.

Old Time dancing under the direction of Dad Watson, master of masters, is now offered every Sunday afternoon from 2:30 to 5:30. There will be a special program this Sunday in honor of Mother's Day.
