Defense Bond Quiz

Q Just what is inflation and how can it be minimized?
A Inflation is a decrease in the buying power of the dollar caused by a rising cost of living. This, in turn, is brought about by a heavy public demand, resulting from a rapid increase in the national income, in large enough quantities. Every citizen can help minimize inflation for things which cannot be produced by buying Defense Bonds and Stamps.
Q How can I get cash for my Defense Savings Stamps if I should need them?
A Go to any post office.
NOTE—To buy Defense Bonds and Stamps, go to the nearest post office, bank or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at most retail stores.
