FREEDOM IS FOR BRAVE MEN, SLAVES CRAVE SECURITY.

Badge of Patriotism

Because of greatly increased responsibilities in the national defense program the Red Cross has appealed to the nation for a 1941 membership comparable to the first World War when more than 18,000,000 adult Americans gave their support. Membership in the Red Cross is more than a sentimental endorsement of good will. The entire machinery of Red Cross peacetime operations has been geared into a vital part of our military and civilian defenses.

The Red Cross is on the job with the Army and Navy here and abroad, providing an important link of communication between the service man and his family back home. With 2,000,000 men under arms this task has grown almost tenfold. The corps of Red Cross field directors is assisting with experienced counsel and with financial aid to solve the problem of our service men and their families back home.

Red Cross volunteers are giving their blood for emergency transfusions in the Army and Navy. In the coming year some 10,000 Red Cross nurses will have been inducted for military and naval service. Uniformed volunteers are nearing completion of 40,000,000 surgical dressings requested by the Surgeons General of the Army and Navy.

For its part in the civilian defense program, the Red Cross has undertaken the training of 100,000 Nurses Aides, an auxiliary corps of volunteers to help relieve the current shortage of registered nurses. During the coming year 1,000,000 men and women will be taught Red Cross first aid as a civilian preparedness measure. Nutrition and Home Nursing courses will be extended to additional thousands as protective health measures.

These are the reasons why the Red Cross asks your support this year. Your membership button is a badge of patriotism, in a way you can express your belief in America.

READY TO KILL

—"Move on; you get no lodgings in this town."

The Samaritan refuses Jesus and His company a place to sleep. At this James and John of the inner circle flare up with murder in their hearts—"Master, do you wish to order fire to come down from heaven and consume them?" So they ask. Two years in company with Christ, the Son of God has not driven out the old sin nature from these two Sons of Thunder, as they were called. Only the new birth can put a clamp on that old rebel down within us.

Now turn the clock ahead half a century and what do we see? John is again speaking. In his vigorous old age, this same John, the beloved disciple, speaks again. It is to warn us that the old nature of sin is always waiting to edge in and spoil the day. His words—"If we say we have no sin, we deceive ourselves and the truth is not in us." True, John, since the day that you and James with murder in your hearts, would have killed off the Samaritans, you have seen a lot of Christ's people become the victims of sudden temptation; many an hour marred.

But John has a remedy. There is a way back to blessed fellowship. It is this—"If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness."

Old Mac down at the Union Gospel Mission in Portland had it

straight. Only four weeks saved; still ragged and shabby; the smell of liquor hardly gone, Mac stood one night to say—"Well folks, I find I fall back into sin, but I tell God I'm sorry and he forgives me and I feel better."

Some hymn or word had told Mac of God's love for the down and outers and he turned his face toward heaven with the wish to be saved. God met him and breathed his Godlife into Mac's very self. The Bible word for it means New Birth; Born Again; Spiritual Resurrection; New Creation; New Life. All we know about it is that the Almightyness of

God takes effect deep down within us and all things become new forever.

And may Christ not only become your Saviour but also your Hope, Joy, Peace, Cheer, Wisdom, Strength every hour of the living day. (This space paid for by an Oregon businessman.)

Are you considering joining a MILITARY SERVICE?

Why not choose the NAVAL RESERVE!

AN IMPORTANT ANNOUNCEMENT

by the Secretary of the Navy

"All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared, regardless of the length of time remaining in their enlistment."

Franklin D. Roosevelt
SECRETARY OF THE NAVY

HERE IS THE OPPORTUNITY THAT THOUSANDS OF MEN HAVE BEEN LOOKING FOR

Here is your opportunity to have all the advantages and privileges of Navy life but with a shorter enlistment.
Many men do not realize—but it is a fact—that your pay, your training, and your chances for advancement in the Naval Reserve are exactly the same as in the Navy itself.

FREE TRAINING WORTH \$1500

Take your own case. Let's assume that you have had no special training. In that case here is your opportunity to learn one of the Navy's 45 big-pay trades, from aviation engineering to radio. You may receive training worth \$1500 the first year alone. In addition you get all the advantages listed in the second column of this announcement.

HIGHER PAY OPPORTUNITIES

But perhaps you have had special training or know a trade. In that case the Naval Reserve offers you the opportunity to use your knowledge. If you qualify (high school or college

not necessary), you can join as a petty officer right away—with higher pay and allowances.

Also, if you have two or more years of college credits, there are special opportunities to become a Naval aviator or a commissioned officer.
