Bible Questions & Answers THE NEW BIRTH

1 Can we fully understand this process? A The wind bloweth where it listeth and thou hearest the sound thereof but canst not tell whence it cometh and whither it goeth so is every one that is born of the spirit. 1 Peter 1:8.

2 Can one be born of the spirit and still do work of the flesh? A That which is born of the flesh is flesh, that which is born of the Spirit is Spirit. John 3:6. Romans 8:5.

3 Do these two conditions harmonize? A For the flesh lusteth against the Spirit and the Spirit against the flesh and these are contrary one to the other so that ye cannot do the things that ye would. Gal. 5:17.

4 What are the works of the flesh? A Now the works of the flesh are manifest, which are these: adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hat, ed, variance, emulations, wrath, strife, seditions, heresies, envyings, murders, drunkenness, revelling and such like. Gal. 5:19-21.

5 What are the works of the spirit? A But the fruit of the Spirit is love, peace, long-suffering, gentleness, faith, meekness, temperance. Verses 22, 23.

6 When a man has been Born Again, what will he do? A If ye know that he is righteous ye know that every one that doeth righteousness is born of Him. 1 John 2:29.

7 What is righteousness? A My tongue shall speak of thy word, for all thy commandments are righteousness. Ps. 119:172.

8 What was Paul thus made to live? A For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. Rom. 8:12.

9 If really born of God what will one manifest? A Beloved let us love one another for love is of God and every one that loveth is born of God, and knoweth God. 1 John 4:7.

10 What victory is gained by those who are born again? A For whatsoever is born of God overcometh the world and this is the victory that overcometh the world even faith. 1 John 5:4.

BOOKS FOR RECREATION

L. D. MAHONE

It was Ruskin who said that a room without pictures is like a room without windows. If pictures are needed in the home how much more are books a necessary? A household without books, in which the members of the family have not acquired the art of reading, can never attain the high and dignified ideal of what a home should be.

The proportion of homes which fall to satisfy this standard is very large. They abound in every part of the country, to the detriment of our national life.

The opportunity to those who know books, to recommend and purchase for those who are not acquainted, is a very great need at this time. Left alone the purchaser may buy, he may get a good book and on the other hand it might be one in which there is no interest for the reader, hence, his desire to equip himself with the best books is gone.

To illustrate. Some months ago I was in a book shop and met three boys just out of high school. They had nine dollars to spend for books to be read on their vacation. They were browsing among the scientific books when I spoke to them and ascertained their desires. I took them over to the sales table and purchased some dozens of books, ranging in price from twenty-five cents to seventy-five cents.

They left the store with their new treasures. Before leaving I volunteered my service to go with them at any time that would be available to make future purchases and also to their friends. Many of the high school boys and girls have wended their way to my office and it has always been a pleasure to serve them. It has placed many of them in the book reading list. It will make them better citizens. It will lead them into better paths of right living and devotion to duty. It is a start in the right direction.
