Third Registration For Selective Service Saturday, February 14th

THIRD REGISTRATION

For the convenience of the public, Washington County Local Board No. 1 will be open for registration Saturday Feb. 14, 1942, from 9 a. m. to 5 p. m., Sunday, Feb. 15, 1942, from 9 a. m. to 5 p. m., and Monday, Feb. 16, from 7 a. m. to 9 p. m.

All male persons who were born on or after February 17, 1897, and on or before December 31, 1921, WHO HAVE NOT BEEN PREVIOUSLY REGISTERED, will report for registration at the office of Local Board No. 1, in the Manning Bldg., Beaverton, Oregon. This Local Board has jurisdiction over the following precincts, in Washington County: 1 to 12 inclusive, 14, 35, 37, to 43 inclusive and precinct 50. For further information call Beaverton 3391.

Only nine simple questions will be asked those men who register on February 16 for possible military service under the provisions of the Selective Service Act, Lt. Colonel Elmer V. Wooten, State Director of Selective Service for Oregon, emphasized today.

Registration of the individual should require a comparatively short time, the Director said, pointing out that the registrant will not be asked to fill out questionnaires but must only answer interrogations about his identity, his place of residence, and his mailing address. Also he will be required to list his telephone, if any; his age in years and date of birth; place of birth, the name and address of the person who will always know his address, his employer's name and address, and his place of employment or business.

While it is important that registration be conducted as speedily as possible, Colonel Wooten said that every registrant will be given ample time to respond properly to the questions on the registration card, which on this occasion will be green. White and melon colored cards, respectively, were used for the first and second Selective Service registrations.

No questionnaires will be given registrants when they register February 16, nor will they be required to undergo any physical examination. Questionnaires are given to registrants after their order numbers have been determined and reached by their local boards. Physical examinations are given only after the boards have passed on the general qualifications of registrants and have determined that they should not be deferred for reasons of interest to the Nation.

While registration must be conducted as of February 16 to conform to the President's Proclamation issued early in January, Governor Sprague has also announced that registration may be accomplished in Oregon on February 14 and 15 as well, if local boards desire an advance registration. This advance registration is authorized to avoid interference with war production.

When registered, each registrant must answer the following nine questions: (1) Name of Registrant; (2) Place of Residence; (3) Mailing Address (if other than place of Residence); (4) Telephone; (5) Age in Years and Date of Birth; (6) Place of Birth; (7) Name and Address, of person who will always know your Address; (8) Employer's Name and Address, and (9) Place of Employment or Business.

After a registrant has answered all questions and signed his name to the registration card, he will be given a registration certificate signed by the registrar. This certificate must be in the personal possession of the registrant at all times, Colonel Wooten warned. Failure to possess the certificate, or to show it to authorized persons, constitutes a violation of Selective Service Regulations and is considered prima facie evidence of failure to register, Colonel Wooten said.

Beaverton Debaters Triumph at Linfield

Beaverton high debaters captured first prize trophies in A and B competition, also won first in senior oratory and first in senior extempore contests, and Robert Sayre was outstanding speaker, at the annual Linfield Forensic meet February 6 and 7. Richard Smurthwaite won third in extempore.

Beaverton's speech students again demonstrated their ability to give forensic battle at the Linfield College debate and speech tournament held on the Linfield campus last Friday and Saturday, February 6 and 7. Beaverton's delegation, consisting of six complete debate teams, two extempore speakers and one orator, entered the contests. There were in all 25 high schools entered from various parts of the state.

Separate contests were held for both senior and junior debate as well as senior and junior extempore and oratory. Robert Sayre of Beaverton won first place in both senior oratory and senior extempore. Richard Smurthwaite also of Beaverton won third place in extempore.

Surviving the preliminaries, in debate were the following schools: Albany, Beaverton, Eugene and Roseburg, each with one team in the senior division, and Banks, Beaverton and Medford in the junior division, also one team each.

In the final rounds of debate which followed Eugene defeated Albany while Beaverton eliminated Roseburg. Eugene and Beaverton was thus left to meet in the final and deciding debate. Beaverton won by a 3 to 0 decision and was declared winner of the A class trophy.

Robert Sayre and Richard Smurthwaite comprised the winning Beaverton team in senior debate.

Meanwhile, in the junior debate in the finals Medford defeated Banks while Beaverton drew a bye. In the final debate in the junior division Beaverton won over Medford and was awarded the first place trophy. The junior team winning in the series of debates are Bill See and Evelyn Williams affirmative, and James Nussbaumer and Jack Hampton, negative. Beaverton thus annexes four more state trophies for its trophy case.

Other Beaverton debaters at the Linfield tournament were Joe Miller and Don Hagg; Bill Hays, Marilyn Walker, Bob Myers, and Jean Godwin; William Imlah, Keith Cook, Eugene Anderson and Norman Toelle; Kaye Lewis, Wilbur Janssen, Ralph Nielsen, David Stark, and David Replogle.

These last 16 debaters "broke even" at the tournament by losing 12 debates and winning 12. The experience they gained, however, will be valuable later.

This tournament was Linfield's tenth annual debate meet, Beaverton having entered every tournament from the first. Beaverton's debaters have won first place in A class competition in six of these tournaments, 1933, 1934, 1935, 1937, 1941, 1942, an eight taken first place in B class debate twice—1940 and 1942.

Workers Begin Census Monday

Oregon's house-to-house canvass for the purpose of determining the vocational experience, skills, and potential abilities of women in case they are needed to replace men who have entered military service, is scheduled to start Monday, February 16.

Mrs. Harry Morgan of Hillsboro, county chairman of the Oregon Board for Mobilization of Women, stated that Washington county's skills inventory will start Monday if supplies arrive in time for distribution.

A total of 102 women have been appointed by Mrs. Morgan to serve as district chairmen for the campaign and they will choose and organize women for actual canvassing of various communities.

Officials have repeatedly said the skills inventory is not compulsory, but they urge every Oregon woman over high school age to fill out a questionnaire. These are to be filed in the various state offices of the United States employment service under supervision of L. C. Stoll, state director.

The inventory will include such questions as Have you ever operated power driven machinery or Have you ever worked in an occupation employing men chiefly? Approximately 20,000 questionnaires were ordered for distribution in Washington county.

Mrs. Morgan explained that the Oregon women's census, if successful may form a pattern for a similar enterprise on a national scale. If unsuccessful after several months of intensive state-wide activity, a compulsory survey on a national basis might result.

Women will be classified in the following groups, in the inventory: professional, clerical, domestic, agricultural, lumber, skilled, semi-skilled, unskilled and volunteer.

Mrs. Morgan this week announced appointment of the following additional women as chairmen of various districts for the campaign: Mrs. John Gates Jr., Leisville; Mrs. Charles Duyck, Roy; Mrs. John Jeppson, Bacona; Mrs. Hazel Bergquam, Reedville; Mrs. Allie Schwartz, Seefeld; Mrs. L. E. Flint, Groner; Mrs. Alvina Ross, Cipole; Mrs. Martha Jepson, Fern Hill; Mrs. Oscar Jacobs, Astoria; Mrs. Elsie Savage, Spring Hill; Mrs. T. Torgeson, Seth; Mrs. Albert Meier, McKinley; Mrs. Ray Ego, Mountain Home; Mrs. Etta Donivan, Green Mountain; Mrs. Edna Johnson, Glenwood; Mrs. Oscar Jepson, Fern Hill.

An effort will be made to complete the county house-to-house canvass within a week, Mrs. Morgan stated.

Persons receiving chain letters, whether good will or soliciting defense stamps, etc., should turn them over at once to the local postoffice and not send letters on to others.

Mails in all parts of the country are now flooded with letters relating to so-called chain letter schemes, which are in violation of the postal fraud and lottery statutes which forbid delivery of any mail to the persons participating.

Food for Victory Program Releases Feeding Wheat

Vast reserves of wheat in the Department of Agriculture's ever-aerial granary are being released for conversion into livestock products needed in the Food for Victory program.

To assist farmers who are increasing production of pork, milk, eggs, and other livestock products, the Department is making wheat available in Washington county at the loan value. This means that the price at county points will be Portland less freight, instead of the usual Portland plus freight. The loan value of wheat at Hillsboro is 98.7 cents a bushel.

Cracked wheat will be sold at the loan value, but the minimum price at county points will be 90 cents a bushel. Whole wheat will be four cents less per bushel. All prices are for bulk wheat, no sacks furnished, and in carload lots.

Feed dealers wishing to obtain wheat may order direct from Commodity Credit in Portland. Those buying wheat for resale to farmers are required to post a bond of 50 cents a bushel.

To obtain surrender of his bond, the dealer must have the county office certify that all of the wheat obtained by the dealer was sold for feeding purposes or converted into ground feed.

Farmers wishing to pool orders to buy a carload of wheat direct from Commodity Credit should order through the county AAA office. Proper arrangements must be made to pay for wheat on delivery, however. No bond is required from farmers ordering wheat for their own use.
