**STATE LAW DRASTICALLY REVISED . . . .**

Under this new law ANY motor vehicle owner or driver involved in an accident resulting in either property damage or personal injuries, HOWEVER SMALL and REGARDLESS OF WHO IS AT FAULT, must promptly file with the Secretary of State proof of financial responsibility for meeting claims of FUTURE accidents.

Failure to do so will result in suspension of operator's license and loss of a car license plates.

**HOW YOU CAN COMPLY WITH THE NEW LAW . . . .**

- You can give proof of financial responsibility in either of the following ways:
- (1) Deposit \$11,000.00 in cash or high grade securities with the Secretary of State.
  - (2) Put up a \$11,000.00 surety bond guaranteeing payment of damages.
  - (3) Purchase a standard limits automobile public liability and property damage insurance policy.

The easiest, cheapest and least complicated way for you to comply with this law is to secure a standard limits automobile insurance policy. Insurance will cost you less BEFORE an accident than after. Get your policy NOW from

**AUTO DRIVERS NOTICE!**

THE TEETH OF THE NEW FINANCIAL RESPONSIBILITY LAW ARE SHARP!

Which means

We quote: "Not less than 10 days nor more than 45 days after receipt by him of the report or notice of accident which has resulted in bodily injury or death or in damage to property of any one person, the Secretary of State shall suspend the license of any person operating, and the registration certificates and registration plates of any person owning a motor vehicle in any manner involved in such accident, unless and until such owner or operator, or chauffeur, or both shall immediately furnish and thereafter maintain proof of financial responsibility in the future."

Suspension of your right to drive is now mandatory if you are involved in an auto accident from which damages or death results unless . . . you can pay for damages assessed against you.
