Meets Big Oklahoman

Hello Folks:

Well "yours truly" started out of Oklahoma City on a Frisco train enroute to West Va. via St. Louis. It was on the Frisco I met Mr. Classen and party who were on their way to Philadelphia to christen the battle cruiser "Oklahoma City". They was a sociable bunch and made me feel like I was one of their party. Every place where I go even in California I find Oklahomians.

BARB WIRE BILL

HAPPY DAYS AHEAD

Have you settled the sin question? God gave Christ to die for your sins and by Christ you take deliverance.

Settle your heart on Christ as Saviour. Take forgiveness on the ground that Christ paid it all.

Happy days are on the way. God poured Himself into Christ and Christ pours Himself into your heart.

An old barrel cannot be filled with new wine, if it is full of rubbish. Nor does Christ fill the heart that holds to old evils. Be willing to change over yield your heart to Christ. Look to Him for the power of a new life and be an overcomer.

Happy days are here for you. It pleased the Father that in Christ should dwell the fullness of the Godhead. God was in Christ in all the fullness of the Godhead. Receive Christ into your heart and by that the Father also. Happy days are here for you.

Are you a babe in Christ? Or are you an Overcomer and a Christian Warrior?

AMERICAN HEROES

BY LEFF

Marine Private First-Class Milo Kosanovich, Aliquippa, Pa., with other members of his battery succeeded in keeping an anti-tank gun in action until the Japanese attack was completely repulsed, during overwhelming Jap assaults at Matanikau River, Guadalcanal. A Presidential citation accompanied his Silver Star Medal award. Help your country—Help yourself—Buy More War Bonds.

U. S. Treasury Department

Shower for Mrs. Leonetti

HAS TECHNOCRACY A POSTWAR PLAN?

IT HAS not been necessary for Technocracy to promote a special 'postwar plan,' like the hundreds of plans from bureaus, agencies and business concerns.

Technocracy is a plan or design of operation for the North American Continent—prewar, during the war and postwar. War has not made it necessary for Technocracy to change its proposed design of social operations but has accelerated the conditions which will bring that design into operation.

Postwar planning in its popular use in the 'planning' of business to get more business, severally and collectively—to preserve the status quo.

During the war Technocracy is devoting its activities to the Victory Program of Total Conscription and invites the cooperation of all patriotic citizens.

The true spirit of Christianity is not "What will I Receive?" But rather "What will I be Able to Contribute—what can I do?" Jesus said if we were to be followers of His, we would deny ourselves—"take up our cross and follow Him."

Call the pastor at 3691 or write Box 73 if he can be of any spiritual help.
