AMERICAN HEROES

BY LEFF

The Marauder bomber Jezebel had just completed a bomb run over
Beauvais-Tille airbase when a Focke-Wulf 190 swept in, pumping two cannon
shells into the plane and killing the tail gunner. His face torn by shrapnel, Staff
Sgt. Donald G. Mayott of Hooper, Neb., waist gunner, gathered up exploding
incendiaries set afire by the hit, and saved the plane from destruction. Are
you fighting with that extra War Bond?

New Members Wanted In Keep Oregon Green

Boys and girls between the ages
of eight and sixteen are yet too
young to become soldiers, pilots,
Wacs or Waves, but they can still do
a vital home front job in combatting
the deadly enemy fire. These Green
Guards now number over 10,000 in
every Oregon county and they are be-
coming expert fire reporters and fire
preventioners, said James Lewis, Wash-
ington county chairman for Keep Oregon
Green.

Three years ago the Keep Oregon
Green association started this youth
activity with the cooperation of es-
tablished youth organizations. Now
this Green Guard activity has expan-
ded so rapidly that it has become an
integral part of the popularly sup-
ported fire prevention campaign.

We now have a new manual just
off the press for Green Guards, the
chairman continued, and it will help
each Green Guard do a better job. It
is well illustrated and shows how to
detect fire hazards in the home, on
the farm, and in the fields and for-
ests, as well as how to speedily report
any fire that gets started. One of
these manuals will be mailed each boy
and girl already enrolled. Green
Guards have done a fine fire report-
ing job in the past and we welcome
new members. Just write to Keep
Oregon Green, State Forestry Build-
ing, Salem, Oregon.

From a transport in New Guinea
American members of hospital units
are carrying medicine and instru-
ments provided by War Bond dol-
lars.

How many will they succor; how
many dead will they find? How
many will never return? We do not
know but we do know our daily con-
duct can make an earlier end of
the war.

Bonds not bunds for America.

Turn war stamps into Bonds

THE OLD JUDGE SAYS...

"I was just tellin' my brother Fred this
morning, Judge...there's never been a time
in our lives when we got to live up to that
old sayin' 'United we stand, divided we fail'
more than we have to today."

"How true that is, Herb. And for the
life of me, I can't figure out why, at a time
like this, some folks insist on raising a ques-
tion like prohibition. I can't imagine any-
thing that would tickle our enemies more
than to get us folks over here taking sides

against each other, arguing about an issue
like that. We've got a he-man's job on our
hands to win this war and we can't be
wasting our minds, our money and our
strength fighting about something we
tried for nearly 14 years and found couldn't
work.

"I say there's a time and a place for
everything, and this is no time or place to
be doing any fightin' except the kind that's
going to win the war."
