County FSA Committee Announce Plans

Plans for the new fiscal year, together with reappointed and new members of the Washington County FSA committee, were announced this week by V. S. Madsen, County Farm Security Supervisor, Commercial building, Hillsboro.

All FSA loan applications for operating, goods, water facilities, group services and farm ownership are reviewed and approved by the committee to make the best possible use of available credit and management assistance, reported Madsen. Funds appropriated for the new year provide about the same amount for rehabilitation loans as last year, but farm ownership loans will be heavily curtailed due to difficulties in securing good farms at reasonable prices.

"What is your definition of success?" some one asked the British Prime Minister who replied in his usual satirical manner: "Young man, all that I can say about success is this: it is the one unpardonable sin that any man can commit in the eyes of his less fortunate fellows."

Why They Want It

"After the war, everybody in Vienna expects to come to America." So sounded the message from over there.

And what is it that makes this good land of ours so worth while to the people who live outside? Why has God so blessed America?

The answer is that here dwells a people who seek out God's will to know it and to do it. They are his purchased possession, bought with the blood of Christ and indwelt by the spirit of Christ. They hate sin, are separated unto Christ and live by Power from On High.

Some of them had but a feeble, flickering spark of faith, when they turned to God. They knew their sinful state and believed the Bible—that the blood of Christ would wash away their sins and that He would indwell them with Himself.

Through these people, God set down the foundation of our schools, hospitals and the things that make America different. And yet only as Christians stay in the land, can these things live and prosper.

Our fathers held close to God and the Bible and prayer; through them God blessed America. Will you turn to God, that America may continue to stand?

Pedestrians Should Face Traffic on Highways

Motor vehicle accidents took the lives of 21 pedestrians in Oregon during the first five months of 1944, according to Secretary of State Bob Farrell.

Of the 21 pedestrians killed, 13, or 62 percent were struck in accidents occurring in cities, while 7 were killed in rural accidents. "These figures are evidence that pedestrian safety is a rural problem, as well as an urban one," Secretary Farrell said. "The rural pedestrian accidents are the result, in most cases, of failure on the part of the person of foot to exercise proper care when crossing highways. Sixty percent of the pedestrian fatalities so far involved unsafe actions on the part of the pedestrian."

Beaverton CHURCH of the NAZARENE

The Church is man's tangible contact with God. The person who says he can worship God in nature is stating the truth, but seldom is it done by that one opposed to the church. The church is ordained and instituted by God for the perpetuation of the Gospel of the Lord Jesus Christ. Are you an active participant in the program? The church needs you and you need the church. Worship God in the Church of your choice this Lord's Day.
