EX-Cannibal Meets Yank

Our combat plane had landed on
the beach of a South Pacific island
when a native stepped from the jung-
le—a native whose fathers had eat-
en flesh from days of old. In pigeon
English, the native told how his tribe
had been lifted out of its cannibal
ways.

You put gas in your ship and she
flies. Just so, Northcote Deck
came to our islands and told us how
God's Son, Jesus Christ, could lift us
up. Just as gas has power to lift
your ship, so Christ lifted us. The
native then detailed how Christ had
changed the world for them and out
of it our American boy, on the spot,
yielded his life over to the Lord. He
also would have this same Friend to
lift him into better ways.

Phillip W. Roberts, then in air
combat with them, points to the quick
wit of the native. Just as gas lifted

the air ship, so Christ lifted the is-
lands. Roberts adds that the Christ-
ian tribesmen are a famous aid to
our men where the Japs and the can-
nibals are a double grief.

Keen to this, our service men have
sent hundreds of dollars back to the
Bible institutes where volunteers are
trained for Gospel work. The tribe
that turns to Christ is the white
man's friend. Christ gives them a
new heart.

This mighty stream of blessing be-
gan when Christ commanded His
people—"Go ye into all the world and
preach the Gospel to every creature."
Says the Bible—"How beautiful are
the feet of them that preach the Gos-
pel of Peace." Peace between the
holy God and sinful man and bought
with the blood of Christ. The price
is paid—the peace is yours—have you
laid hold on it?

LABOR, NOT IN VAIN!

So we read in I Cor. 15:58 "Be ye steadfast, unmoveable, al-
ways abounding in the work of the Lord, for as much as ye know
that your labor is not in vain in the Lord." Nothing that is done
for the Lord will go unnoticed. . . by Him. Even a glass of water in
His name causes Heavenly Attention. Is God your employer? Work
now, For "the night cometh, when no man can work." St. John 9:4.
