PAID AD BANKING AMENDMENT COMMITTEE,
J. B. BOOTH, CHAIRMAN CORVALLIS, OREGON

Tuesday is Election Day—every voter should vote, with the thought in his mind of the future of our country. Our forefathers have handed down to us a sacred covenant—liberty—we protect it with our lives—but do not plan for the future. What can this generation pass on to posterity.

But we must also have a Government which believes in enterprise and Government policies which encourage enterprise. We must see to it that a man who wants to start a business is encouraged to start it, that the man who wants to expand a going business is encouraged to expand it. We must see to it that the job-producing enterprises of America are stimulated to produce more jobs. We must see to it that the man who wants to produce more jobs is not throttled by the Government—but knows that he has a Government as eager for him to succeed as he is himself.—Thomas E. Dewey.

There will be no freedom in this country unless there is freedom of competition. Our anti-trust laws protect the people from private business monopolies, but do not apply to monopolistic government business.

A boaster and a liar are cousins.

CLEAN OUT THE BUREAUCRATS AND RESTORE AMERICAN Freedom!

We are now supporting 3,000,000 employees on the Federal payrolls, more than 2200 bureaus, agencies and commissions. Directive follows directive. Inefficiency, waste and confusion increases. And up goes the tax bill imposed by New Deal extravagance.

DEWEY WILL GIVE FARMERS A SQUARE DEAL. READ THIS SUMMARY OF HIS FARM PROGRAM:

"The wide fluctuation of prices of farm products following the last war will not be tolerated. A floor will be placed and maintained under farm prices with assurance of seal-up crop loans. A proper farm program will be created and so operated that the farmers will have control and operation of their program without domination or dictation of appointed bureaucrats."

—Gov. Dewey, Minneapolis, Minn. Oct. 24, '44.

THE OLD JUDGE SAYS...

"Quite a stack of newspapers I left you yesterday, Judge. Aren't you in the newspaper business, are you?"

"No, I just enjoy reading different papers so my nephew George sends them to me whenever he takes a business trip. I got a big kick out of some he sent me from several counties where they still have prohibition. Particularly from some headlines that read 'Drunk Driving Arrests Rise',

'Bootleggers must post Ceiling Prices', 'Federal Agents seize 'Trick' Liquor Truck'. Doesn't that go to prove, Joe, that prohibition does not prohibit?"

"I watched conditions pretty carefully during our 13 years of prohibition in this country. The only thing I could see we got out of it was bootleg liquor instead of legal liquor... plus the worst crime and corruption this country has ever known."
