## At Work Again

### Volunteers Started Soliciting on Monday

Sixth war loan drive opened in Washington county Monday morning with campaign sights of the more than 700 Victory volunteers set on completing the \$1,750,000 quota within two weeks. Achieving this goal would make the bond premieres at the five county theatres Dec. 5 "over the top" celebrations. J. L. Searcy, sixth war loan chairman declared.

Meeting of the quota will require the purchase of at least one extra \$100 war bond by every wage earner in the county. Victory volunteers have been asked to complete the canvass of their territory before Dec. 5. The public is requested to decide on the maximum investment possible and be ready when the solicitor calls.

Launching of a Swan Island tanker will be the prize in a special schools at war division contest released this week. Winning school will be determined by the percentage of total enrollment participating in the purchase of at least one war bond multiplied by the average maturity value purchase of series E bonds by students participating.

State quota of an average of \$6.20 per child has been set for schools in the sixth war loan drive. Although a lower quota had been set in this county, the schools will meet the new goal. The average is based on the bond purchase price.

## Xmas Seal Sale Starts Monday

The 38th annual Christmas seal sale will start in Washington county Monday with a quota set at \$8000, according to Mrs. Zola Morgan of Hillsboro, county chairman. Amounts raised last year was \$7,034.76. Seal sale letters will go out to county residents Monday.

Seal sales provide the sole support of the National Tuberculosis association, the Oregon State Tuberculosis association and the Washington county Public Health association. Five per cent of the proceeds go to the national association, 20% to the state association and the balance 75% stays in the county for work in prevention and control of tuberculosis in Washington county and the sponsoring of the general public health program.

The American Legion Auxiliary is sponsoring seal sales in Beaverton with Mrs. M. C. Mc Kercher as chairman.

## Planning For T. B. Tests In April Next Year

At the meeting of the Washington County Health association council Thursday night in Hillsboro it was unanimously voted to employ an executive secretary to carry on the work of educating the people to the importance of tests for tuberculosis which will be given in the county, probably in April when a mobile unit will visit here.

Mrs. C. O. Mabee of Aloha was appointed on a committee to select a secretary.

Mrs. Sadie Orr Dunbar of Portland, chairman of the Oregon Tuberculosis association was present at the meeting. She explained that the x-ray mobile unit to be used in the test for tuberculosis was being built at a cost of \$15,000 and that an expert x-ray technician will be in charge. The mobile unit will be tried out in Multnomah county before being sent into other communities.

## Alcoholic Liquor Studies

The First Pacific Coast Conference on Alcoholic Studies will be held in Portland, Nov. 27-Dec. 1, at the Masonic Temple. Under the sponsorship of Governor Earl Snell and the Educational Advisory Committee to the Oregon Liquor Commission, Yale University's section on Alcohol Studies which is a part of the Laboratory of Applied Physiology will conduct the four day session.

For years the Laboratory has engaged in extensive research on the physiological, social, statistical, legal and educational aspects of the alcohol problem.

Many law enforcement officers, the Governor and many others plan to attend.

## Morgan Now in California

Leon Morgan of Beaverton is now in apprentice seaman training at the U. S. Maritime Island, California.

The Maritime Service offers men 17 to 50, a chance to play a vital part in the winning of the war, a chance to serve with our great Victory Fleet which "delivers the goods" wherever they are needed.

## Florence H. Harris

Friends were shocked at the sudden death of Florence H. Harris, wife of Thomas B. Harris of Beaverton on November 20. She had for years been lady assistant at Pegg's Chapel and will be remembered for her thoughtful assistance in time of sorrow.

She was born April 4, 1889, and was married in August 14, 1909, at Eugene to Thomas B. Harris. Two children survive, daughter Doris, nurse in the service in northern France; and a son Milo J. (deceased).

Funeral services will be held at 2 p. m. Friday, November 17, at Pegg's chapel, interment Crescent Grove cemetery.

Mrs. Harris was a member of Ladies Auxiliary No. 25, Spanish War Veterans.

## Nationwide Bible Reading

Thanksgiving to Christmas With the cooperation of 100,000 ministers and 6,000 chaplains serving with our Armed Forces, 33 daily Bible readings have been selected that will be read all over the world, from Nov. 23rd Thanksgiving Day, to Christmas December 25th.

Hundreds of thousands of men and women in our Armed Forces, and millions of their relatives at home are finding the Bible an inspiring and guide, now as never before. Through a nationwide poll of Army and Navy chaplains and pastors the Bible readings regarded as most helpful in times like these have been chosen.

Thanksgiving, Nov. 23—Psalm 103, Friday—John 14, Sat.—Psalm 23, Sunday, Nov. 26—Psalm 1, Monday—Matt. 5, Tues.—Romans 3, Wed.—I Cor. 13, Thurs.—Psalm 91, Fri. Dec. 11, Matthew 6, Sat. John 3, Sun. Dec. 3—Isaiah 40.

## Piano Tuning Service

Alfred E. Drake, piano technician, who has been on the Pacific Coast for 35 years, is now located in Portland, and is opening up an annual service group in this area. Mr. Drake anticipated the shortage of materials and was able to acquire a considerable stock of piano repair parts.

Speaking as an accomplished musician, he says that most piano owners feel that they are taking reasonably good care of their instruments if they have them tuned every so often, when tuning is only a part of the correct care that is required.

Mr. Drake's annual service plan takes care of both tuning, action repairing and regulating, and his long years of experience make him especially well qualified for this work.

## Triple A Committeemen Plan Meetings

Mamie Tri has been transferred from Sacramento to Portland.

What to Buy for Thanksgiving Day Bird

A tom turkey not much older than 5 months is the buy for the Thanksgiving shopper who wants the most lean meat for the money on the roast bird. This is the conclusion from studies of the fattening of turkeys made by poultry scientists of the U. S. Department of Agriculture.

Those who buy a 20 pound dressed hen turkey will pay for more than 5 pounds of fat.

## Turner Jr. Joins Marines

James L. Turner Jr., 17, box 125, Aloha, has enrolled at the United States Maritime Service Enrolling Office, Room 202, Pioneer Post Office Building, Portland, for training as a merchant marine.

He will receive basic training at the United States Maritime Service training station Avalon, Catalina, Island, California, and upon completion of his training there will be assigned to duty aboard a merchant vessel.

Did you hear the one about the couple, blessed with their first baby, who didn't get to the hospital quickly enough and the baby was born on the hospital lawn? An itemized bill was finally received and the careful husband objected strenuously to the item: "Delivery Room, \$25.00." He returned the bill for revision. In due time it was returned with the item revised to read: "Green Fees, \$25."

One of the hardest things for us to understand in this world is our friends' friends.

A man has enough troubles in this world without trying to drown them in drink.

Tell it with a classified.

## Thanksgiving Season

### Babson Gives Ten Reasons For Which to be Thankful

Babson Park, Mass., Nov. 22—On our coming Thanksgiving Day we have much for which to be thankful I should like to comment specifically upon ten reasons:

1. First and foremost, we can celebrate this year for the same reason that occasioned the first Thanksgiving of the Pilgrim Colony in 1623, namely A FINE HARVEST. Crop yields this year surpass all previous records. There is plenty of wheat, corn and other farm products for us to feed ourselves and the needy everywhere.

2. Without HEALTH AND STRENGTH none of us can work or think efficiently. Combined with the right spiritual outlook, health is the greatest of blessings. The past year has seen an improvement in both on the part of the American people.

3. Although the Thanksgiving season finds us in the midst of our greatest War, we should be thankful for the progress which has been made toward a successful peace. We are justified in believing the European War will be over in a few months and the hope that total peace may come before another Thanksgiving Day.

4. Whether Republicans or Democrats we should be thankful that we live in a country where a free ELECTION can be held. Here is tangible evidence of the continued existence of our country as a true democracy.

5. We should be thankful for the MORAL AND PHYSICAL COURAGE that our men and women have

## Train Air Forces

### For Night Bombing

### Assaults on Jap Industries Will Be Continuous.

WASHINGTON.—The time is fast approaching when the United States army air forces may need separate daylight and night bombing groups, trained and equipped for their particular tasks.

Urgency is given to the subject by the impending shift of the war from Europe to Asia. In the European air operations the RAF has specialized on night operations, the AAF on daylight precision bombing of strategic targets.

A suggestion that the problem already has been the object of detailed attention by the war department is contained in the statement of Lieut. Gen. Barney M. Giles, deputy AAF commander, that a number of air officers and civilian experts have been studying for the last year the task of shifting the air forces from Europe to the Pacific.

General Giles, at a news conference also had this to say: "With our instrument bombing it is possible to bomb at night equally as well as in daylight. When the war started we knew nothing about instrument bombing (the hitting of a target when weather or blackness makes it invisible) but we have come a long way in the last year."

The concept of adequate, full-scale strategic bombing calls for continuous attack, with night bombers taking up where the day planes left off. The AAF has made plain that the initial missions of the giant B-29s are the forerunner of a strategic air war against Japan's war industries.

At present, and in the immediate future, there is little likelihood that the RAF will transfer any large segment of its force, including its night bombing set-up, to the other side of the world. This, military quarters say, suggests that it is up to the AAF and the Twentieth air force, operators of the Superfortress air fleet, to bring into being its own night-bomber organization.

## Thrill of a Lifetime: Daughter Safe in Paris

STOCKBRIDGE, MASS.—Owen Johnson, novelist, sat in his home on his 66th birthday and experienced one of the "thrills of his lifetime" when he heard the voice of his daughter recently on a short-wave radio broadcast from Paris.

The daughter, Mrs. Olivia Johnson Chambers, was broadcasting from in front of Notre Dame cathedral.

She was manager of the Paris office of the Times-Life-Fortune magazines and was interned by the Germans, but later was released to carry on relief work among French prisoners.
