Black Out At Noon

The sun dimmed at noon that Friday and darkness settled over the land. Christ, bearing His cross had gone forth to a place called Golgotha and there they crucified him.

Dying, God laid on Him the sins of us all: the blackest deeds and the unspeakable crimes of the lowest human brutes. All that is vile, Christ became. He who knew no sin was born into the world to become sin for us. Know Your Bible—2nd Cor. 5:21.

In that hour, Christ reached out and drew to Himself all the pains of hell. He took over all the woe that we would have suffered out in eternity. We earned it—Christ took it. He paid in full for us. He himself bore our sins in His own body on the tree. Herein is love. Not that we loved God but that He loved us and gave His Son to die for our sins—BIBLE SAYS IT.

Feelings or no feelings, you have eternal life when your heart can say that the blood of Jesus Christ has cleansed away all our sins. He died for your sins and arose from the grave to give you a new life. Look Him Live by "Power From On High." So comes hope, joy, peace.

This space paid for by a businessman. If you wish a part in upholding and extending this Gospel by Newspaper, send your sum, large or small.

LEGAL NOTICE Notice to Contractors

Sealed proposals addressed to the West Slope Water District, 9025 S. W. Canyon Road, Zone 1, Oregon and endorsed "Proposal for Water Supply Improvements, West Slope, Water District", will be received at the office of the District at West Slope until 8:00 P. M. Pacific War Time on the Fourth day of April 1945, and thereafter will be publicly opened and read. Award or awards will be made at a meeting of the Commission to be held at 8:00 P. M., P. W. T., on the Sixth day of April 1945.

The proposed work consists of furnishing and installing a 12" I. D. water supply line from the Portland City water supply system along Canyon Road and extending to the District's 100,000 gallon steel storage tank; and the installation of feeder and distribution mains within the water District. The distribution system work includes the laying of primary feeder mains, the bulk of which are 12" I. D., some of which is to be 14" I. D. as well as some 8" and 6" distribution mains. The 12" supply line is to be placed in a trench now occupied by a 6" O. D. steel pipe line having vessex couplings; and water service is to be maintained by keeping the present 6" supply line in service on top of the ground during the installation of the new supply line.

The principal items upon which bids are invited are:

A. Water Supply Main.
1. Furnishing and installing Class 250, 12" I. D. pipe 1,000 lin. ft.
2. Furnishing and installing Class 150, 12" I. D. pipe 6800 lin. ft.
B. Distribution System.
1. Furnishing and installing Class 150, 14" I. D. pipe 4,300 lin. ft.
2. Furnishing and installing Class 150, 12" I. D. pipe 12,000 lin. ft.
3. Furnishing and installing Class 150 8" I. D. pipe 2,000 lin. ft.
4. Installing 6" O. D. pipe 1,900 lin. ft.
5. Furnishing and installing fittings 18,000 pounds.
6. Furnishing and installing fire hydrants 20.
7. Furnishing and installing gate valves & valve boxes 50.

Plans, specifications, instructions, to bidders and Blank Forms of Proposal and Contract can be seen at the office of the West Slope Water District or at the office of the Consulting Engineers, John W. Cunningham & Associates, 1112 Spalding Building, Portland, Oregon. Copies may be obtained upon a receipt of ten dollars (\$10.00) or a check for \$10.00 made payable to the District. The deposit will be refunded in case a bona fide bid is submitted and the Plans and Specifications are returned in good condition, otherwise the deposit will be retained.

All proposals must be on the regular blank forms furnished with the Specifications and must be accompanied by certified check payable to the West Slope Water District in an amount equal to or exceeding five per cent (5%) of the total bid. A one hundred per cent (100%) corporate surety performance bond will be required to guarantee the faithful performance of the contract. The successful bidder must also show evidence of adequate liability and property damage insurance.

The right is reserved to postpone making the award for a reasonable length of time or to reject any or all bids, for good and sufficient reasons, and to accept the proposal or proposals deemed in the best interest of the District regardless of bid prices.

A priority rating of AA-3 has been granted for the project by the War Production Board.
