Tear Down That Fence

He built a spite fence in front of his neighbor's windows and shut off their view of the ocean. A spite fence was it? Worse yet, it was a hate fence, for hate built it.

Education As An Investment

Babson Talks To Adults

Babson Park, Mass., May 25—Now that V-E day has occurred, the many GI's who will return to civilian life, will be anxious about veterans' education.

Mere Information vs Real Education
Education is every man's top investment. However, let us be specific. You may think that all you will need is information; but information is merely the raw material.

Importance of Character
Words and even ideas are only scratches on the brain until you develop the mentality and character to apply them.

Renewing One's Youth

restoration,—the new discovery in the old quest for the fountain-of-youth. To regain that schoolboy feeling, go again to school.

All of us, soon or late, are at a spot where we must go ahead or fall behind. The choice is to sit down, lie down, and do nothing—or begin the repair and modernization of out-worn and run-down brains.

Under the administration of political-minded school boards, the public educational system is corroded and rusty. Wayward parents are accessories. A generation of youngsters is Sloppy Joe in apparel, deportment, mentality and character.

It is the new ground, however, the fertile fields of adult education, which beckon most happily. Adult education appears at present to hold out the optimum chance of maximum progress.

Tigers Protest Second Contest
The largest crowd yet, watched a doubleheader played at Beaverton. The Beaverton Busters finally got back into the win margin by eking out a 8-7 win over the County Allstars in the first game.

In the second game, as far as it went, it was strictly a brother duel with Don Whitworth pitching 2 hit ball for the Tigers and Bob Whitworth pitching 6 hit ball in the four innings.
