

For The Human Line

Good could have sent his angels down from heaven to tell the old, old story of Jesus and His love. But instead, he made you and me the human link. His plan for a saved people rests with us. And how shall we do our part? Some spread the Message by handing out tracts while others go next door to wait on the sick while they pray for an open door. And here is a woman of Ona-

aska, Wash., who clipped the ads from the Sunday Sport's page to pass them along. This ad was found in her hand bag after she had passed on to her reward. Here we reprint it—

PAID IN FULL

Clean slate. The blood of Christ shed on the cross, wiped out the last sin against you. Then what? Ask and receive God's forgiveness on the ground that the debt is paid in full. The Lord is not willing that any should perish. BIBLE SALVATION, Beaverton, Oregon.

This was the adv. New we add that while eternal life is God's free gift, the saved must earn their reward. They shall stand before the judgement seat of Christ to receive their reward, and to hear His—Well done good and faithful servant. But more—As star differeth from star in

glory, so shall it be with the saved. What you do for Christ here and now, sets your glory for all the ages to come. Are you earning eternal reward? In the ages to come will you shine as a bright star? What you the saved, do for Christ here and now tells it. This space paid for by a Seattle businessman.

Mailing Dates For Overseas

Navy postal authorities urge immediate mailing of parcels to Navy, Marine Corps, and Coast Guard personnel in order to insure delivery by Christmas, the 13th Naval District said today.

Despite the end of the war with Japan, thousands of Navy men will still be in foreign lands and afloat for many months.

Christmas mail and Yule parcels bound for overseas must still be mailed within the official September 15-October 15 period.
