## New Age Birth Pains

This present Bible age, now 1900 years along, is to end in woe and wreckage. And do we not ask for it? Take America with a major crime every 22 seconds, a murder every 40 minutes and the crime age down to 19 years as shown by the prison reports. Lust, liquor and family break-up, the order of the day while natives of far-off lands, sink under the white man's disease. So this age runs on toward its end, when the World Ruler, the Man of Sin, is to come in with all power, signs and lying wonders and to demand that he be worshipped as God. With the masses bowing to him, the time is ripe for God to show his wrath. Loathsome sores are let loose to eat the flesh of men. The oceans, springs, and drivers turn to blood, the heat of the sun is stepped up until human flesh scorches. These are the Birth Pains of the New Age. See Rev. Chapter 16.

Come now, the battle of Armageddon when Christ and his hosts overcome the armies of the nations. Christ then sets up the New Age of a Thousand Years with wars out and blessings in. The Thousand Years ended. He raises the lost dead of all the Bible ages, for judgment. Earth days now close. As the pest spot of the universe, the earth goes up in flames, for here lived the human race, the people who refused to seek out God's will and do it. May your heart believe the Bible, that the blood of Jesus Christ has cleansed away your sins. God honors this faith with the gift of eternal life. And except a man be born again, he cannot see the kingdom of God. What does your heart say? Which for you? Saved or lost?
