He Quit Her Cold

Christ's people have always paid the price. Take the wife who made Christ the Lord of her life, refusing to longer run with the world. At this, her man quit her and the kid dies cold. Christ gave warning—"In the world, ye shall have tribulation."

What is your burden? Is it money or family or health? Then heed the Bible—"Casting all your cares upon Him for he careth for you." 1st Peter 5:7. See the Booth woman in the early days of the Salvation Army, jailed for holding street meetings. When let out, she kissed the bars of the cell, for in those hours of solitude, when all help from man had failed, the Lord sought her out and made Himself known to her as never else could have been.

In the hour of sorrow, beside the open grave, in the broken home, the wrecked life, our Lord seeks out His trusting one to make them rich with Himself and He wipes away their tears.

Quite Costly

It has been estimated by J. B. Fitzgerald operators spokesman, that the 48-day-old AF of L lumber strike to date has cost members of that union in four northwestern states over \$19 million in wages alone.

He says that the striking unionists would have to work 1000 working days, or more than four years, to make up the amount they have lost in wages since Sept. 24, when the strike was called.
