Dawn Over Death

ON A SMALL ATOLL on the road to the Philippines. A comrade pays his last respects to a fallen buddy who lies in the parched coral sands while at home Victory Bond dollars pave the way for aid to the hero's family.

The Low Down From Hickory Grove

You know, this "Authority" business that is in the papers—and talked up as being great shakes, like the Tennessee Authority and a flock more in the offing, well, I been browsin' in the dictionary, and pander, after reading what it says there, it is hard to savvy how the idea took hold so strong.

The dictionary says: "Authority" is the right to command and to enforce obedience. And the dictionary you don't find it wrong often. So, looking around the corner and without any crystal ball or anything, it is easy to see that quite a few states and places will wake up with quite a bad taste—as an "Authority" Chief drives up, from Wash. or from far away, in his shiny car and says, Stand back boys, I will turn on the lights. Also, I will tell you when you can turn 'em off—if I should want them off.

And if they decide to dam up a creek or river in your county, keep your trap closed—same as they do on the Volga in Russia.

Yours with the low down

JO SERRA

What's the use to worry about weighty issues—Congress is in session.

Who remembers when, and why, gasoline was rationed?

Have Hot Water All the Time!
Immediate Delivery

30-Gallon Techmaster Electric

Water Heater

\$89.50

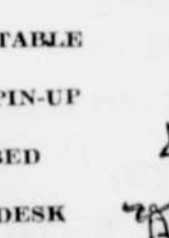

- Immediate Delivery
- Heats water at the rate of 15 gallons per hour
- Fully guaranteed, extra heavy type tank
- Thick Zonolite insulation keeps heat in tank—outside jacket always cool
- Cuts off electric current automatically when water reaches proper temperature

2000-watt circulating type element heats water at the rate of 15 gallons per hour. Extra heavy type (150-lb. test) full galvanized water tank, extra heavy galvanized tanks, over the years, have been found most desirable by plumbers because they are more rustproof. Fully automatic thermostatically controlled. GUARANTEED

ONE YEAR AGAINST DEFECTS IN MATERIAL OR WORKMANSHIP.
