What Can You Spare That They Can Wear?

In the attics, closets and trunks of
American homes are millions of
pounds of serviceable used clothing,
shoes and bedding. In the war de-
vastated areas abroad there are mil-
lions of people who are suffering and
dying because they lack such essen-
tial things.

United National Clothing Collection
offers an opportunity for you to
show your patriotism as well as your
humanity. By providing war suffer-
ers with those things they most de-
sperately need, you will enable them
to reestablish themselves and help us
in establishing the peace which is to
come.

There will be a United Clothing Col-
lection receiving depot in your neigh-
borhood. See that your spare apparel
is delivered there.

Paul Knepp has been appointed
chairman of the Beaverton district
for the United National Clothing Col-
lection. Mr. Knepp announces that
all the local churches will participate
in the drive and clothing can be left
at any church during the drive until
January 31. The high school will
take care of its own drive. Each
donor is asked to put a note of greet-
ing in the package they give. The
slogan in this year is "10,000 bundles
and 10,000 letters. Last year many
interesting letters were recived from
Europe.
