GIVE—DON'T SWAP
Don't exchange those Christ-
mas presents that didn't fit—the
blouse that was the wrong shade
—the slip that you have got so
many of—the house slippers.
You had a Merry Christmas.
How about making it a Happy
New Year for the less fortunate
victims of war in Europe and the
Pacific? Give—don't swap.
You befriended 25,000,000 war
veterans through the nationwide
clothing collection of last spring.
Let's Not Forget the Others...
Give everything you can spare:
coats, boots and shoes tied in
pairs, dresses, underwear, suits,
sweaters, mufflers, caps, mittens,
plus blankets and quilts to the
Victory Clothing Collection for
overseas relief. Don't forget
lightweight clothing is needed in
the Philippines.

OREGON POST BUILDING
A \$40,000 memorial home is being
planned by the Roseburg, Oregon,
Umpqua Post 16 of the American Leg-
ion. It will contain a large audi-
torium, a banquet room, a bar, a
lounge, a roof garden, and club
rooms. The new home was necessi-
tated by large expansion of member-
ship due to World War II enroll-
ments.

This little girl is free—to fend for herself! Free—to face a multitude of problems.
Her problems are the world's problems. Let's face them.
For instance, let's face the desperate need for clothing by the victims of Nazi and Jap oppression.
Dig into your attics, trunks, and closets today . . . dig out all the clothing you can spare.
What YOU Can Do!
1. Get together all the clothing you can spare.
2. Take it to your local collection depot immediately.
3. Volunteer some spare time to your local committee.
The more you do the better you'll feel

THE OLD JUDGE SAYS...

ART: "Saw you at the movies last night, Judge. That was quite a weekend that alcoholic went through, wasn't it?"
OLD JUDGE: "Sure was, but I'm afraid most people won't really understand it."
ART: "What do you mean, Judge?"
OLD JUDGE: "Simply this. That poor chap was really a sick man...not just a drunk. Studies by famous psychiatrists and the medical profession show that alcoholism is not caused by a craving for alcohol. It is usually the result of some deep-rooted social, physical or emotional condition. If that fel-
low had not turned to alcohol for escape, he would have turned to something else."
ART: "Are there many that get in that condition, Judge?"
OLD JUDGE: "Fortunately not. Art. Scientists at a great university have stated that approximately 95% of the people who drink do so sensibly. Only 5% are immoderate at times. In that 5% is the small number known as alcoholics. And the beverage distilling industry which does not want a single person to use its product immoderately, is cooperating fully in the solution of this problem."
