THE OLD JUDGE SAYS...

OLD JUDGE: "Hank, you're a big grain producer...let me ask you a question or two?"
HANK: "Glad to have you, Judge."

OLD JUDGE: "Do you think the grain used by distillers is wasted as some folks are saying?"

HANK: "I certainly do Not! As a matter of fact, it is just the opposite."

OLD JUDGE: "How do you figure that, Hank?"

HANK: "From my own experience and from reports I've read. For the year endin'

last June, the distillers produced over 1,200,000,000 pounds of distillers' dried grains...the best feed supplements we can lay our hands on. They are rich in nutrients. Why...I've never had such fat dairy cows, livestock and poultry as I have since I've been usin' these dried grains."

OLD JUDGE: "How do you use them, Hank?"

HANK: "I blend them in with original grain. This balanced ration has far greater feed value than the original grain itself. I can cut down on my whole grain feeding about 20% and still get better results."
