KILL TO GET WIFE

—Put Uriah in the front of the battle where he is sure to be killed." So ordered King David back in Bible times. David ordered it, the captain did it, and Uriah was slain then David took the man's wife to himself. God now sends the prophet Nathan to show David how wicked this deed. David repented with deep sorrow but he must do more to be back in God's favor. He must offer up a slain sacrifice—say a lamb from the flock and its blood upon the altar, for—"I have given you the blood upon the altar to make a covering for your soul."—BIBLE. So of old, it was the blood of lambs upon the altar. Then came Christ and hear—"Behold! The Lamb of God taketh away the sin of the world." Taken away, blotted out, purged away, David's sin and ours also, for the blood of Jesus Christ, God's Son, cleanseth us from all sin.—BIBLE. David's, before Christ and ours now.

Settle it in your heart that your sins are blotted out and God breathes his eternal life unto your dead soul and puts your name in the Book of Life.

ONE—The sins of your life-time put away. TWO—Old sin habits broken up. THREE—You to be raised to glory on Resurrection Morn.

This is a preview of a picture we're trying to speed to everyone still waiting for telephone service. But it will take some time to make this picture a reality. We still cannot get all the equipment necessary to provide service. And we do not have sufficient trained personnel to install what equipment we can obtain. So we ask just a little more of that wonderful cooperation you have given us. We promise the wait won't be too long.

THE OLD JUDGE SAYS...

TED: "Clem and I were wondering what you thought of that new movie about the chronic alcoholic, Judge. Understand you saw it before we did."

OLD JUDGE: "Well...it's true most of us never see a case as extreme as that in real life because they are so few and far between. But it does point out one thing...chronic alcoholics are abnormal people and we've got to change our ideas about how to help them."

CLEM: "In what way, Judge?"

OLD JUDGE: "We've got to realize that excessive drinkers are suffering from more than a craving for alcohol. According to

psychiatrists and medical men at one of our great universities, the alcoholic is a sick person. The study of hundreds of cases shows he is suffering from some physical, social or emotional condition...just as in the case of that poor chap in the picture. Fortunately, they represent only a very small percentage of those who drink."

TED: "Is anything being done to really help these folks, Judge?"

OLD JUDGE: "Yes...a great deal in clinics throughout the country. And with the cooperation of the beverage distillers who sincerely want their product used only in moderation."
