Uncle Sam Gets Busy

No, Uncle Sam does not set a banquet for the fellow who robs the bank. Instead, he trails him, tries him and puts him behind the bars. Just so, God does not set a banquet for such as break his command, which is, to believe on his Son, our Lord, Jesus Christ, as having died for their sins. Such as reject Christ must go on in Bible death, which is to be forever separated from God. Your sins have separated between you and your God. This takes in a lot of good folks who think God will okay their sin of rejecting Christ.

Christ upheld God's law. He stepped in and took your sins and became the sinner and died under the law which says the soul that sinneth, it shall die. That settled with the law and it cleared you.

His mother did not feel saved and so Sonny read her John 3:16 from the Bible. It says that Christ died for our sins. Believe it and you have from God

eternal life. "It's still in the Bible, Mother and you still are saved." So Sonny told her. Feelings or no feelings, still saved. Same for you. Believe God. That Christ settled with the law for you and by that God has made you his own and breathed his life into your soul. Now prove the new life. Step ahead, obey the Bible and look to Christ for the power.
