Farewell Party For Beaverton Boys

A farewell party for Bill Springer, Jim Monahan and Wally Branch was held in the basement of the Church of Christ, Pune 20. The boys left for Fort Lewis Saturday to join the army air corps. Bill Springer and Wally Branch will play in the army air corps band.

manufacturer was asked to pay \$120 per thousand board feet pine lumber. He usually paid \$80. He said he would sell current stock at OPA ceiling prices and would then go out of business if he had to pay exorbitant prices for lumber.

The price division received calls from manufacturing establishments asking for present status of requests for price adjustments, indicating they were looking toward the future when price controls might be reinstated. Two upholstery manufacturers called in person at the OPA office and expressed their desire to maintain ceiling prices "until they were forced to buy new fabrics at higher prices." "We won't raise until we have to," they declared.
