## War Surplus News

Red tape, dummies and even an island are up for disposal by War Assets administration. The Portland regional office announced today. Regardless of the odd nature of these items, WAA employees consider them just more surplus to sell.

Offered by the Kansas City WAA, the red tape is slated for disposal at fixed prices. In the same region five dummies, used by the air corps for making parachute tests and considered suitable for football training, will be sold by bid.

Historic Angel Island, the largest island in San Francisco Bay, is also surplus and offered by WAA.

Veterans of World War II with purchase certificates dated prior to February 1, 1946, are eligible for a set price sale-by-mail of 147 used passenger automobiles and station wagons in San Francisco, the regional office of War Assets administration announced today. The Portland WAA inter-regional unit has information and will receive orders for forwarding to San Francisco. Orders must be received in San Francisco not later than 5 p. m. November 27.

## MUM ON LEWD WOMEN

Sin was for sale on every corner in rich old Corinth. 1000 lewd women were kept for unprintable rites up in the heathen temple. The great traveller, the Apostle Paul, visited Corinth in 54 A. D. and yet he was mum as to the vice all about. Said he—I determined not to know anything among you save Jesus Christ and Him crucified.

Paul was charged, ONE—To show them that they were sinners by birth, by choice and by practice. And serving sin, they were lost to God. TWO—Paul is to turn them from darkness to light. He is to show Christ, our Lord as delivered over to die for their sins. THREE—They must be delivered from the power of Satan unto God. Only by New Birth can they quit serving the world, the flesh and the Devil. Receive Christ as Lord and Saviour and God gives you New Birth.

Could you reach out and take over a loaf of bread from the hand of the croaker? Just so, reach out and receive the Christ. Make Him your own. Take Him as the Bread of Life. Live by the Bible and prayer. Live the over-coming life and look wholly to Christ for Victory. Make Him your Daily Bread and prove the New Life.

## "Soapless Soap"

Most people consider petroleum products as chiefly used for fuel and lubricants. As to volume, this is correct, but as to variety of uses it falls far short of telling the story. In addition to the countless services this product renders mankind, we may soon be using oil to wash our hands and clothes.

The demand for petroleum derivatives in the manufacture of "soapless soaps" has been spurred by the natural soap shortage which resulted from the vegetable supply of animal and vegetable fats. One of the leading American oil companies has joined with a chemical manufacturing concern in stepping up production of an oil-derived detergent. The product is sold directly to industrial users and reaches established trade outlets for distribution under various trade names.

This is but one more way in which oil is playing a role in the American home and business. Its
