

Fellowship To Hold Meeting
The Women's Fellowship of the Bethel Congregational church will hold its regular meeting Wednesday, December 4, at 12:30 in the church social room. The meeting will be a bring-your-own-sandwich lunch with Mrs. Sackett and Mrs. E. G. Webb, hostesses. Mrs. Norton Peck will be in charge of the discussion on "India."

FEEDING DAIRY COWS

There are two principal uses to which the dairy cow puts her feed. These are: (1) Maintenance. (2) Milk production.

The feeder, in choosing a dairy feed, should be concerned with the total digestible nutrients. Triangle Dairy Feeds are carefully built to produce maximum milk production and to maintain a healthy producing animal.

These scientifically balanced feeds contain: Rolled Oats, Wheat Millfeed, Soybean Meal, Linseed Oil Meal, Rolled Barley, Ground Barley, Ground Corn, Cane Molasses, Minerals, and Dairy Salt. No artificial or unnatural elements are added to boost the protein analysis. See your local Triangle Dealer.

CARE OF YOUR MACHINE

Let your washing machine do an efficient job for you by keeping it in good repair, says Miss Faye Nichols, Home Demonstration agent of Washington County. Miss Nichols suggests the following care for the family washer:

1. Keep the machine oiled.
2. Check bolts and screws frequently to see that they are tight.
3. Wash by the clock—saves clothes, the machine, time, and fuel.
4. Wash the right clothes load for your machine. Avoid overloading.
5. After washing clothes, wash inside of machine with a soapy water, rinse and dry. Remove stains with a fine scouring powder. Flush drain thoroughly to see that it is free from lint.
6. Wipe wringer rolls with damp cloth. If tension is adjustable release pressure.
7. Keep lid propped up an inch or two to let machine air when not in use. Leave drain open.

Hospital Supplies

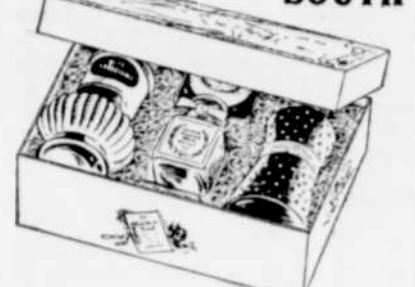

Hospitals will have an opportunity to replenish depleted stocks of litter and litter carriers in a 30-day sale by War Assets Administration, the regional office announced in Portland this week. Schools, universities, municipal enterprises and commercial buyers may purchase also as the offer is made to priority and other buyers concurrently, beginning Dec. 1. WAA stated that ten different types of litters and carriers are available, totalling 43,000 units. The merchandise offered originally cost the government more than \$800,000.
