Our success is made up of the success of each one of us, so let's all pull together to build up an even better Tualatin Valley.

Below you'll find over 200 suggested Gifts. Many of them will put new ideas into your head. Father, we are sure will be pleasantly surprised if some of these suggestions are followed. A wide choice is given for mother, sister, junior and the house, in fact for everyone.

We have suggestions for Auntie, who might be a friend, knowing her gifts are similar to Mother's though perhaps not as costly.

We know that many Grandmas will enjoy gifts listed under the Teen-Aged Girls, and that the Business Girl will enjoy most of Auntie's or Mother's gifts.

All of these are suggested lists to be juggled to suit your own tastes, and you can get them all here from the merchants listed.

Many merchants could not begin to list their wide assortments and so picked out a few of what they have to offer you. In all of our stores you will find many more gifts. Come and see for yourselves.
