A. H. (Al) FOX
Green-Liner Pilot
Drives 226 miles every day on the Sunset highway route between Portland and Astoria. Twenty-two years with Oregon Motor Stages.

12 TIMES AROUND THE WORLD WITHOUT AN ACCIDENT!

Al Fox has driven 303,167 Green-Liner miles in the last six years without an accident—12 times the distance around the world!

Typical of Green-Liner pilots, most long-time employees who take their job of safe-driving seriously, Al has salted enough money away to buy a ranch in Tillamook county where he spends his leisure time.

When you travel in Western Oregon, ask your ticket agent to route you by Oregon Motor Stage Green-Liners.
