## THE BOSS MAKES AN ANNOUNCEMENT

**THE GENTLEMAN IS RIGHT**

and we're meeting his demands with Dacro Protected Milk... the safest package of milk you can buy. The bottle is not merely covered. It's SEALED with a sturdy metal cap... air-tight, dust-proof, tamper-proof. There's complete, scientific protection for our milk after it leaves the dairy. Let one of our routemen show you what this protection means to you and your family. Because the Dacro Cap is a genuine seal, it must be removed the first time with an opener. After that it may be snapped back on the bottle as a re-seal and removed again and again, even without an opener.

## Young People In Charge

The Young People of the Valley Community United Presbyterian church have prepared the services for Sunday, February 2. The anthem will be sung by the high school class. Dolores Fischer will play the prelude and postlude. Dave Stroup, Stanley Fredsen, Jr. and John Tennant will serve as ushers.

The Scripture reading will be given by Dick Schafer and the Responsive Reading by Bryan Walker. Bud Sayre is to make the announcements.

The message will be presented by George Pickard, teacher of the High School class, and will deal with the accomplishments of the young people of today.

## Civic Improvements Sought by Club

At Mrs. W. C. Richard's home on S. W. Murray Avenue, the Westdale Mothers' Club enjoyed a brisk meeting January 22. Some of the civic improvements toward which the club is working are: a foot path along the highways between Westdale and Beaverton; traffic signs for this residential area where cautious driving is vital.

The date for the opening of the gym class for members and their friends will be announced soon. A great deal of interest was shown in the Scout park on Cooper Mt. A committee was appointed to see if help could be given by the club toward the improvement of this park area. Since any help given might necessarily be by the husbands of the members, worn and torn socks were busily mended during the evening, with the motive of softening the male resistance. Coconut cream pies garnished with whipped cream served with coffee made the evening quite complete.

## Honored

Mrs. E. W. Mosher, S. W. Wilson Avenue received special honor at the January meeting of the Social Order of Beauceaut, which is the wives of the Knights Templars, when she retired as state president of the order. Mrs. Mosher was presented with a beautiful Cross and Crown ring. In addition, her officers gave her a colorful pottery hummingbird, knowing that birds are one of Mrs. Mosher's hobbies.

**Business Trip**  
Mrs. Bernard Ostroski accompanied her husband on a business trip this past week, which took them to Eugene and the surrounding territory.

**Hobby Orchestra Growing**  
The Hobby Orchestra has grown too big for meeting in a home, so will meet in the social room of the Bethel Congregational church in Beaverton, Friday, January 31 at 7 p.m. Practice will be held there until further notice.

## New Residents

Adding to the increasing population of West Slope are the families of Mr. and Mrs. I. V. Gilliam, Jr., residing at 2939 S. W. McChesney Road, and Mr. and Mrs. W. C. McKeel, Jr. and year old son, David, living at 3135 S. W. McChesney.

Mr. Gilliam, a senior at Lewis and Clark College is intending to enter the teaching profession next fall. His wife a native Virginian, has many complimentary things to say about Oregon.

Mr. McKeel, also attending Lewis and Clark as a Junior, is majoring in Mathematics. Mrs. McKeel comes from the state of Colorado.

Both men, native Portlanders, began as classmates at Lewis and Clark the fall of 1942. Each set aside his books to serve with the Navy during the war.
