

**IT'S
"DIFFERENT"
WHEN IT'S
YOUR OWN**

Because this business is our OWN, we have an extra incentive...to keep customers better pleased. Which explains why we're more conscientious...do so many little un-asked-for "extras"...when we service your car. Once you discover what a BIG difference this can make in driving pleasure; you'll want to join other folks in the neighborhood, who are making OUR place their regular "service home." Give us a try...SOON.

**New Tractor
Announced by
Pacific Equipt. Co.**

Volume production of a new, small, low-cost tractor, and a full line of matched implements, which will provide economical, practical and complete mechanization for the small farm operator, has just been announced (June 23) by the International Harvester Company.

Designed specifically for operators of truck gardens, orchards, small general farms, and for care taking work on country estates, the new all-purpose Farmall Cub represents the latest step in the evolution of the Farmall system of farming.

Utilization of the Farmall Cub, the company stated, will make modern farm tractor power, heretofore considered commercially profitable in general farming only on farms having

over 40 crop acres, available with comparable economy and efficiency to approximately 3,000,000 farmers having small crop acreages.

Produced at International Harvester's Louisville, Kentucky, works, formerly the Curtiss Wright plant, the Farmall Cub is being introduced into the Farmall tractor line in response to the desire of the small acreage farmer to compete on a more comparable basis with farmers of larger tracts.
