Beaver Highlights

(By Bill Knapp)

Hi! Folks! Here I am again. First of all I want to congratulate our team for bringing home a 13 to 0 decision over the Tillamook "Cheesemakers" last Friday night. After the trouncing they got from Gresham (20 to 6 being score) I guess they were too hot to handle for the Cheesemakers. Co-starring in the lime-light were half back, Paul Oldenburg, and quarter back Denny O'Donnell. Another player who was widely praised was the little freshman half-back, Jimmy Tusagua. Jimmy got through for many a gain when it was needed the most.

Next week the Beavers travel to West Linn for another T. Y. V. tussle. According to a new law, introduced to the student body by Coach "Gene" Freese in a recent assembly, the winning team is the team with the most points so with that in mind let's go Beavers! We want touch downs!

The football schedule for this year is as follows: (the games already played are marked with their scores. All the games are away from home.)

Sept. 26—Gresham 20; B. H. S. 7.

Oct. 3—Tillamook 0; B. H. S. 13.

Oct. 10—West Linn.

Oct. 17—McMinnville.

Oct. 24—Forest Grove.

Oct. 31—Tigard.

Nov. 7—Hillsboro.

Nov. 14—Newberg.

"Wish I could whistle like that," was the comment by Denny O'Donnell, student body president, as Bob Ervin, whistler extraordinary, finished his numbers in assembly Friday. Bob has been in the Journal Juniors Whistler's Club for quite awhile now. Good luck, Bob, and keep practicing. Practice makes perfect, you know.

With the announcement of Nancy Nagues as the new yell leader replacing Gene Harrison, who now resides in Eugene, Jim Gregory, one of last year's choice of new yell leaders, resigned, as he is going out for football he will be unable to fulfill his duties as yell leader.

Monday night, September 29th, Beaverton was privileged to see the well-known hygiene production, "Mom and Dad" and to hear Elliot Forbes, hygiene expert. In talking with Mr. Forbes after the show he stated, "Everytown should have a recreation hall for its teenagers". De we? No! Why not? Statistics prove that with some decent place to spend their leisure hours the rate of juvenile delinquency would drop. Mr. Forbes said the only way to raise a "smart" child is to give them the right environment. Do we have the right social environments here in the Beaverton area? Again the answer is, no. Think this over. Any suggestions are welcome. Simply send it to the Beaverton Enterprise, Beaverton.
