ommercial purposes. revenues will go for two purposes; Forty per cent will be available to the State Board of Forestry for experiment and research. Sixty per cent will go to the forest products laboratory, Corvallis, for research in the utilization of

wood waste. First payment is applicable on all forest products harvested during July, August and September of this year. Returns must be filed by each person owning tim-

ber which is being harvested. Under the Commission's interor buying it on contract at time of harvesting.

### Courts May Aid **Vets In Building** War Memorials

The county courts of Oregon are authorized by 1947 law to nelp finance the construction of war veterans' memorial building the Department of Veterans' Affairs pointed out this week to servicemen's groups interested in the construction of meeting plac-

Chapter 595, Oregon Laws -947 states in part: "Upon the application of any two or more federally recognized veterans' organizations, the county courts of the state hereby are authorized and empowered to pay out of county funds such amounts as the courts may deem to be necessary or advisable to assist in the construction or acquisition of buildings to be used as club rooms and meeting places for service and ex-service veterans of any

war." Limit of amounts the counties may give are: In counties of from 1000 to 5000 population \$5,000; 5000 to 10,000 population \$10,000; 10,000 to 20,000 population, \$15,000; 20,000 to 100,000 population, \$25,000; and more than 100,000 population, \$50,000.

The law says veteran organizations must apply to the county courts by July, 1948, and it prohibits county financial aid for more than one such veterans' memorial building in any one

### BEAVERTON ENTERPRISE Friday, October 17, 1947

Midnight, October 15 was set by The American Foundation for the State Tax Commission as Animal Health today struck a deadline date for payment of the blow at a stubborn myth-the new timber tax to avoid penalty old idea that the hot days of

This tax law was enacted at the If "dog days" refers to the seaast legislature and provides for son of the greatest trouble with cents per thousand board feet mad dogs, then the term might on all logs, poles, piling cord- be applied to November than to wood, pulpwood and other forest August, a Foundation state-

by lumber companies, logging Actually, it was explained raboperators, farmers or others, for ies—the mad dog disease—is more prevalent in late fall than Known as the State Forest Re- during the hot summer. And hot search and Experimental tax, its weather apparently has little to do with the prevalence of the

Nevertheless, the American Foundation advised dog and livestock owners to maintain watchful precautions against rables throughout the year. Although vaccination can be used effectivey to prevent rabies, the deadly virus of this disease still causes approximately 10,000 reported cases in the United States every year.

"Rabies can be controlled and even eradicated," the statement pretation, a timber owner is ac- adopt a systematic program of cepted as being any person eith-control, based on vaccination, er owning such timber outright quarantine, compulsory licensing of dogs, and strict control of

stray dogs." "Vaccination of all dogs against rables not only will mean greater safety for children and adults from bites of rabid dogs, but also provide humane protection for the lives of pets and ivestock."
