Walker Rd. Riders Petition Bus Co. For More Service

Within three days after a petition appeared at the Green Meadows Grocery, Walker Road, more than 33 residents of that area had signed an appeal for more bus service directed to the Oregon Motor Stages Company. Because of the rapid growth of population along the road, which has been spurred by mushroom housing developments, the request directs attention of the bus companies to the fact that at present no bus leaves Portland for this area after 5:45 p. m. and working people from the big city are forced to doubtful makeshift means to make it home after such hour. Citing the fact that a bus franchise carries with it some responsibility of service to the communities through which it passes, the petitioners ask at least a round-trip schedule from Portland about 9 p. m. and 11:30 p. m. To make this possible, the Walker Road residents suggest routing of bus schedules from Hillsboro, Reedville or points in that direction, to pass along at least part of Walker Road and so rescue these patrons from their patterns of isolation. George Helsar, at the Green Meadows Grocery, invites all residents along Walker Road to come into the combination store and bus depot if they wish to include their name on the petition being signed.

CLUB'S BAZAAR
 After a joint meeting with the Community Club, Friday, November 21, 8:30 p. m., the Cooper Mountain Sewing Club will hold a harvest-time bazaar. The bazaar will follow the meeting and lunch will be served.

Two Cub Scouts From Japan Join Beaverton Pack

Cub Scoutpack 517 held its regular monthly meeting Tuesday, November 11, in the Auditorium at the grade school and in spite of the Armistice Day holiday, attendance was good. Jerry Harris, David Finley, Bob Dachtler, Gary Wilhelms, Rollan J. Baker, Monte Sipe and Charles Logan were inducted as new Cubs and received their Bobcat pins; Tommy Keeler received his Wolf badge for completing his work in his Wolf pack, also a Gold Arrow award for extra work; Allan Stuhr was awarded Gold and Silver Arrows for his extra Wolf book work and Jimmie O'Connor received his Bear badge. Year pins were given to Donald Ribbie, who has completed two years of Cubbing, Sammy Dexter, who transferred here from Dallas and Richard and Jon Shaw who completed a year of Cubbing in Yohama, Japan, and were welcomed to the Pack. Paul Taylor, athletic instructor, displayed the trophy which is to be awarded to the winning soft-ball team when soft-ball season arrives. He announced the boat derby rules and requirements. Boats are to be built by the Cubs during the rainy season, and the derby will be held next Spring as soon as the weather permits. Boats are to be named and short essays written, giving reasons for name. Various prizes are to be awarded, i. e., for the best built boat, best assembled, best named, best performing, etc. John Robinson, Pack Chairman announced that handicraft lessons for Den Mothers may be available in December. He regretfully announced that Cubmaster Everett T. Morgan, has resigned, as he is moving to Hillsboro. It has not been revealed who will be selected in his place. The Cubs of Den 5 and Mrs. Norton Peck, their Den-mother assisted by Mr. Peck and Mrs. Newman Ward presented their Puppet Show, in five varied acts. It was a "reasonable facsimile" if not a repetition, of the show given at the PTA Carnival last month, as who can guarantee how a puppet will put on his act? Den 5 has become so absorbed in this clever and interesting work that it has spread through the families of the Cubs in that area, and Dorothy Eddy, sister of Cub Hugh Eddy, exhibited her Dutch puppet Gretchen, which 'got into the act.' The show was viewed with squeals of delight by the Cubs and much amused interest by their parents. Handicraft work was exhibited as follows: Jerrold Alexander, Den 3, a plaque hand-carved from a bar of soap; Robley Morgan, also Den 3, a neat and cleverly arranged knot-board; Jack Oberst, Den 5, a model airplane, which he assembled and painted; Jack Gregory, Den 1, his head mask replica of Porky Pig, which he wore at the Scout Circus in Portland and Darrell Hendrickson, Den 8, a coat hanger which he constructed from a piece of wire and a scrap of plywood. The meeting, if a bit lengthy, was intensely interesting throughout.

DINNER GUEST
 On Armistice Day, Mr. and Mrs. C. R. Violi and Mr. and Mrs. Ben Gulick were dinner guests at the home of Mr. and Mrs. A. M. Hayden, S. W. 93rd and Taylor, in the West Haven Community.

Informal health report from West Haven indicates that there is a plague of flu and common cold that has followed the onset of winter rains. Marge Mistoe, from Tualatin View grade school, was put on the sidelines for about a week with an attack of the mumps. She is reportedly recovered by now.
