CEDAR MILL**TRIP TO VANCOUVER, B. C.**

Mr. and Mrs. S. Maxwell Stevens and small son Michael motored to Vancouver, B. C., to spend last week end with Mr. and Mrs. Harry Sibbett. Mr. Sibbett is an uncle to Mrs. Stevens.
They were accompanied by Mrs. N. T. Stevens who remained in Vancouver to visit her sister's family, the J. E. Woodells.

ON ARMY FURLOUGH

At the home of his parents, Mr. and Mrs. C. A. Henson last week, was Pfc. Kenneth Henson. He has recently completed an automotive mechanic course at Camp Conley in Atlanta, Ga. Following his eight day leave he is slated to ship overseas, possibly to Okinawa, with the U. S. army.

DOUBLE - TAKE

Schoolmates of David Larson and Gary Pearson joined in a birthday party in honor of their 10th birthdays Monday afternoon at the A. R. Pearson home. Interest was running high during the period of fun and refreshments.

CONSTRUCTION SOON

The Paul F. Friesen family has purchased a homestead on Copeland Acres addition and have engaged James A. Copeland to build a home thereon, with construction to be started at once.

BURNS & COMPLICATIONS

In addition to serious burns to her abdomen and back, Mrs. Calven Katterman has an added annoyance of shingles in the same area.

Cub Ceremonies Honor Members At Pack Meeting

A special ceremony honored Raymond Ediger, who had attained the rank of Weblo in cub scouting and had reached the age of 12 making him eligible to become a boy scout, Wednesday evening at the pack meeting of pack No. 506 at the schoolhouse.

Bobby Smith received bobcat pin with a ceremony in his behalf. An exceptionally long list of awards were presented to the various members of the pack, making the meeting one of much importance.

Tricks and puzzles were shown by the various dens as well as displays of gifts for parents made during December and their Indian tomahawks which will be kept as regular equipment. Den Doodles showed by some of the dens showed expert workmanship and will incite much interest for meetings in the future.

Next month's work will be centered around the annual blue and gold party.

Additional entertainment was afforded by short movies shown with Don Miner operating his projector.

GRAYS HARBOR COUSIN

Guests of Mrs. Louis Stark Saturday included Mr. and Mrs. Olson Dix, Mrs. Lucy Lane of Portland and Mr. and Mrs. Van Ap-pon of Grays Harbor, Wash. Mrs. Dix is a cousin to Mrs. Stark.

PRINCIPAL ABED

Mrs. Margaret Stroeve, principal of the Cedar Mill school, has been hospitalized at Portland sanitarium since last Monday evening.

PINK AND BLUE SHOWER

Guest of honor Friday evening Jan. 16, at a pink and blue shower at the home of her sister-in-law Mrs. Hubert May, was Mrs. Howard May. She was the recipient of many lovely gifts.

SUNDAY DINNER

Dinner guests of the Harold Larsons Sunday were Rev. and Mrs. Simon Forsberg and their son.

Cedar Mill PTA Changes Meeting To First Monday

An opening songfest led by lyric soprano, Mary Elizabeth Speakman, accompanied by Mrs. Clarence Leuthold at the piano lent a friendly atmosphere to the PTA meeting Thursday evening at the schoolhouse. After a series of old favorites, the singer concluded with "Faith of Our Fathers" to tie in with the theme of the speaker of the evening, Rev. Robert L. Warren, pastor of the Methodist church in Hillsboro.

His subject, "Faith, Hope and Inspiration" was chosen to harmonize with the objective of the PTA to study mental hygiene. He pointed out that without religion one is more likely to be subject to social and mental ailments. At the close of his lecture Mrs. Speakman sang three solos including "Sweethearts," "Song of Love" and "Las Altinitas."

Regular business included the secretary's and treasurer's reports together with reports from committee chairman. Mrs. L. S. Uppinhouse reported that future meetings of the Pre-school Study club would be held on the first Monday evening of each month with the next one at the home of Mrs. F. W. Merewether.

Room count was won by the first and second grades.

Mrs. C. A. Henson announced the next county council meeting to be held at Bonny Slope school February 10, with a luncheon. She also stated that pre-school clinic will be held at the schoolhouse on March 2. A free pre-school clinic may be arranged if at least 10 parents will assure regular attendance of their children. This service includes examinations, medical advice, vaccines, etc., with monthly checkups of babies and periodical examinations of other pre-school children.

Social hygiene luncheons and all day meetings were called to the attention of anyone interested. The third Tuesday of each month is scheduled for the meetings at various nursery schools throughout Portland. Four meetings will be held during February with out-of-town speakers. Mrs. Henson will supply those interested with more detailed information.

Refreshments were enjoyed by the small attendance.

Primroses Every Month Promises Featured Visitor

You can have primroses blooming almost every month of the year in your garden" said Mrs. R. P. McHenry of the American Primrose Society in her talk before members of the Cedar Mill Garden club at the meeting Wednesday afternoon at the Grange hall. She also stressed the simplicity which accompanied growing of the many types of primroses.

John Ripley Forbes, a well known organizer of museums was present to announce the forthcoming lecture at the Benson hotel on January 30. Roger Tory Peterson will be guest speaker with the Riddle of Bird Migration as his subject.

The second in a series of botany lessons led by Mrs. Frank Loukat proved to be interesting.

A freewill collection for the March of Dimes netted \$7.50. Taking charge of a booth at the First National bank in Portland on Monday was consented to by six ladies. Coffee and cookies followed the meeting.

GOES TO OLYMPIA

Accompanying her brother-in-law and sister to Olympia last week end was Mrs. L. S. Uppinhouse. While there she was a guest at the home of her uncle Mr. and Mrs. Bert Oliver and his family.

WHY

**GENERAL ELECTRIC
PUT LOWERED PRICES
AHEAD OF OTHER THINGS**

General Electric lowered prices because we wanted to do our part to stop the present spiral of inflation.

General Electric lowered prices on electrical appliances in greatest demand—because that is where lowered prices on General Electric products will do the most good and have the greatest effect.

General Electric lowered prices regardless of the fact that G-E profits are not high—are not at present levels high enough.

We did this because we know that in the long run General Electric can prosper only as the people of this country prosper. We believe that producing more goods for more people at less cost is the soundest way of running a business. And we feel that inflation in this country has reached a dangerous level—for the wage earner, for the man with savings, and for industry alike.

Do you know what inflation can do to you?

As money buys less and less, your savings lose their buying power. Life insurance policies dwindle in value. Money saved to take your wife to the hospital won't pay the bill when the time comes. Pay checks buy less and less. Retirement money won't pay for retirement.

This applies to the man who brings home a weekly pay check, to the man with a little savings in the bank or a life insurance policy, and to companies that have to build new plants and buy new machines to fill future needs and provide future jobs.

Inflation is a sinister thing. It steals up on a country and its economy in a gradually accelerating two-step of prices and wages—each trying to get one step ahead of the other—and there is no red line to show when the danger point has been reached.

Inflation is like a fire. Once it gets well under way, it can never be checked until everything is destroyed.

Self-restraint by industries and individuals the best check

You as an individual can do most by buying less and saving more—thus avoiding bidding up the prices for scarce goods. Business and industry can do much by lowering prices whenever and wherever possible—voluntarily.

General Electric put lowered prices ahead of other things because we believe it is a step towards licking inflation.

We Must Destroy Inflation or It Will Destroy Us

GENERAL ELECTRIC
