BUSINESS MEETING

The annual business meeting of the Church of Christ was held Friday evening, Jan. 30. The meeting was well attended in spite of the fog. A bounteous basket supper was served in the church basement, after which the business meeting was called to order. All branches of the church, including the Bible school and the

Christian Endeavor, gave reports on their church activities and financial conditions. A vote was taken as to whether a change should be made in the church program—to have the Bible school before the morning worship, or after the morning worship as it is now. The majority voted to leave the program unchanged. The devotional service was led by Mrs. Mabel Springer. The table decorations expressed the theme of the devotional. Paintings of Christ decorated the tables. The expressions, through study of Christ's face, as shown in the paintings, was the topic of her talk. The program ended in a few moments of silent prayer, and a chorus by the entire group.

FIRE DEPT. ELECTION

"HASKELL COURT"

Expected to be ready for business rental occupancy some time in the spring, a 3-story court is under construction by Howard H. Haskell, in the area adjoining the present Haskell Center, on Canyon Road east of Beaverton.

A garage, already built, will be incorporated in the new set-up. The new construction will be of concrete blocks and the finished location will include a hard-surfaced frontage.

So far, Mr. Haskell has not arranged for lease of the new business spaces.

Our Drivers Make \$3877.75 a Year

*Yet union representatives threaten a strike...
in the face of our offer of peaceful arbitration*

LAST THURSDAY we were surprised to read a newspaper story announcing that the union covering our drivers and shop employees was preparing to strike.

Recognizing our continuing responsibility to the public, we believe YOU are entitled to the facts.

On October 29 the union cancelled their contract with us, effective January 1. Since then we have made every effort to reach an agreement. Twice we accepted proposals which the union's spokesmen told us would meet the demands of our employees. Both times these same union spokesmen returned with increased demands.

When they returned the third time with an ultimatum of further increased demands, strike or arbitration, we accepted their own theory of arbitration and proposed to lay the entire matter before any impartial umpire or board. We felt nothing could be fairer. We do not know whether this proposal was ever presented to our employees.

We have offered cost-of-living wage increases which would mean that our drivers would earn an average in excess of \$4000 a year. Last year the average pay checks for the 79 Oregon Motor Stage drivers totaled to a healthy \$3,877.75 for a full working year of 52 weeks, including two weeks vacation with pay!

Our offer to arbitrate the entire matter stands. If there is an interruption in our services it will be in face of this fairest of possible offers.

We are willing to rest our case with you, the public, through any impartial representative!
