Activity Report Of McKay Youth

by Patricia Schlaht BLUEBIRDS

The McKay Bluebirds met Friday, Feb. 20, after school in the school cafeteria. They worked on their plaques and dolls for the doll show they plan to have at the regular Parent-Teacher program in March. There were 12 girls present. Their leader, Mrs. L. W. Strayer, served them ice cream bars and bubble gum.

MONEY FOR CAMP

The Camp Fire girls of our school met Monday afternoon, Feb. 23 to discuss plans for raising money for camp. Their guardian, Mrs. Harold Ferris, would like the girls to go as a group to Camp Adahi this summer. The girls are working very hard to raise their own money to cover the expense involved. They will serve refresh-

ments at the next Parent-Teacher meeting and make a small charge for cake, coffee, etc. They also plan to conduct a paper drive in the very near future. Edna Dibons was hostess.

PROGRESS ZIPPERS

The Zippers, our 4-H sewing club, met Friday night, Feb. 20 at the home of Caressa Prouty at Progress. Patricia Schlaht demonstrated seam making and their leader, Mrs. D. R. Scott taught them how to make bound button holes. They will conduct a demonstration in March at the PTA meeting which is part of their requirements to be a first class club. Their were 10 girls present.

HARMONICA CLUB

Mr. Herbert Horst is organizing a harmonica club this week. Twelve boys have asked to belong and Mr. Horst has their music and harmonicas so they will get right down to work when they

meet. We are looking forward to hearing the boys later on and know they will have a good club and good times together.

CANDY SALE

The Zippers are having a home-made candy sale in the cafeteria Friday, Feb. 27. They are trying to earn money for their treasury to cover their outing expenses this summer.

From where I sit... by Joe Marsh

Where Does Your Money Go?

Read the other day where country folks and farmers spend more money, proportionately, on their homes than city dwellers do.

Doesn't seem hard to believe when you think it over. Take the folks in our town, for instance: They're home-loving people—who'd rather spend an evening by the fire with a mellow glass of beer than go out in search of entertainment or diversion.

So it's only natural they put more into what means most to them and to their children: their homes. They may not have too much to spend—but it goes for those permanent, abiding comforts that make home a nicer place to be.

And from where I sit, that budget calls for some of the niceties of home life too—like cider and popcorn for the kids from time to time, and a friendly glass of beer for Mom and Dad... things that belong with what we mean when we say "Home."
