### PTA Program at Barnes School Studies Culture

Cultural values of literature were discussed by James Becker, principal of Barnes school at the regular PTA meeting Friday night, April 9.

A selection of books for all grade levels donated by Gills of Portland was on display for the benefit of those present. Upon request Mr. Becker will give a listing of books for any grade level to the parents to promote reading of good books in our children.

The film "Clean Water" showed the pollution from sewage draining into the streams and rivers and causing much damage to health, property and recreation. It showed how adequate sewage disposal is worked and the need for sewage disposal in every community.

It is the desire of this PTA unit that every parent with a child in Barnes school attend the PTA meetings. It is thought by some not attending that too much money is sent to the state and national organizations. But it was shown by our budget that most of the money is spent and used for Barnes school and locality. A very small per cent leaves the district. A very special invitation is extended to parents who are not attending our meetings to come and let us make your acquaintance at our May 14 meeting.

The Brownie group under Mrs. M. M. Brown's direction was voted ten dollars to buy materials to work with.

The nominating committee was named. Those serving are Don Hendrickson, Mrs. Sadie Thompson and Mrs. E. H. May.

M. R. Bennett, school board chairman, gave an explanation of the purpose of the vote for April 19. The aim of the RSB is to equalize taxes and to promote standard and better schools.

The PTA executive board will meet April 30, 8:00 p. m. at the home of Mrs. H. C. Walters.

Refreshments of coffee and doughnuts were served by hospitality.

Study group will meet May 4 at the home of Mrs. Joe Varner on Walker road.

### Student Musical Presents Eleven Varied Selections

Miss Alice Clement was hostess at her residence Sunday afternoon to 36 guests at a musical presented by a group of her students who will play in the Oregon Music festival in Portland April 26 to May 1. Each student will play one concert group, two will also enter Beethoven classifications, one will enter the grade school concerto contest, and two will enter the lower division high school contest.

Students from Beaverton who participated were Caryl Jean Short, Mary Smurthwaite and Gale Enger. Yamhill was represented by Gertrude Engen and Althea Wolcott. Loretta Tachan of Carlton, Bette Ann Freeman of Amity, Joan and Claire Gross of McMinnville, and Janyce Larson of Cove Orchard completed the group of soloists. The Beethoven "Contra Dance" played at the Music Educators' festival at Oregon City, Friday won the highest rating for piano for Janyce Larson, who will now compete in the state finals at Eugene.

### Coop'r Mt. Basket Social Nets Funds For School Lunch

The basket social and program which came off at the school last Saturday night was a complete success. In fact, more so than anyone expected. Total receipts from the social amounted to \$88.45. The money will be used to carry on lunches at the school.

The program half of the party was ably performed by the grown ups of the neighborhood. Square dancing and a hillbilly comedy "Sweet Adeline" were the features. ### PTA Recommends Two Delegates to State Convention

Those attending the executive board meeting of the Beaverton grade school PTA Thursday, April 8, at the home of Mrs. E. W. Stratford were Miss Davies, school principal, and Mesdames Boge, Beasbren, Drew, Carlson, Peck, Jeremiah, Woodson, Runes, Colley, Gear, Byrd, Holman, Ward, Robinson, Hansen, Ely, Grandy, Cavens, Pike, Bozich and Logan.

After the minutes of the last meeting were read and approved, it was recommended to be voted on at the next meeting that sufficient funds for expenses be allowed for two delegates to the state convention to be held at Klamath Falls April 27, 28 and 29. It was also recommended for vote that pictures be purchased for those grade school rooms that have none.

It is again called to your attention that the next meeting is to be held one week earlier than usual. April 20 is the new date, at 8:00 p. m. at the grade school. Election and installation of officers will be held at this meeting. Mrs. Norton Peck, chairman of the park and recreation committee who is in charge of the program, plans to hold a survey on Beaverton's recreational needs. Then in co-operation with other organizations plans will be made to fill these needs.

The summer round-up committee again asks that parents of pre-school children please fill in and return the cards relative to the pre-school physical check-up. After the business meeting a handkerchief shower was held for Mrs. Veldon Boge, retiring president, in appreciation of her work the past two years, and refreshments were served.

### Would Be A Cow

"If I were one of those cows down there in the valley, I would not have this heavy heart." So said the Swiss barber. But better days were on the way with Mr. Peaceful Heart stopping in to tell barber how and to give him a Bible for more light. Then came the great day. Said barber, "I went up to the mountain again, not to wish I were a cow but to shout my joy back and forth, for God had flooded my heart with peace." Yes, get the sin question settled. Believe in Christ as your own Lord and Saviour who died for you and God gives you his peace—and eternal life.

"I accepted Christ as my Saviour early fifty years ago and his Holy Spirit has never left me. There is a wonderful peace that comes from knowing Him as Lord and Saviour." Thos. S. Smith, pres., Thos. S. Smith and Sons, Chicago. Known thru the Mid-West as the Apple King.

From where I sit ... by Joe Marsh

Now It's Neckties Made of Milk!

Fellow in Andy Botkin's Tavern was boasting about a trick necktie he was wearing made out of a by-product of milk. "Took 33 pounds of milk to make this tie," he says.

Bill Webster was unimpressed. "Personally," he says, "I'd rather have the milk to drink. Just as I wouldn't change one glass of good American beer for a necktie made from thirty barrels of it!"

Yes, modern science being what it is—seems like you can make "anything out of anything" these days. But in the case of milk, well

I guess drinking it is still a whole lot better than just wearing it.

Of course there are lots of other ways of abusing goods and beverages—like a fellow who doesn't appreciate good beer enough to drink it slowly and in moderation.

But from where I sit, most people who enjoy a wholesome beverage like beer or ale are moderate—because beer itself is a beverage of moderation.
