Hell Is a Place

Christ told of the man who died and went to the place of torment where he cried for a drop of water to cool his tongue. Then he wanted his five brothers warned, lest they come to that same place.

—Lk. 16:19-31. Yes, hell is a real place and many there be that go in thereat. But others go on to glory, as—"We see Hi-School fellows try to break up the meetings. Then they open their hearts to Christ and His love. And they blurt out something to the bunch as to where they stand. And they play better football for Christ and the coach and the team. And they pray and lead others to Christ. And there are girls who look so different with that radiance that comes from Christ who loves us and gave Himself for us."

ORVILLE MITCHELL, Dallas, Texas.

Receive Christ as God's love gift, sent to die for your sins and God lifts you out of death into life with himself. Whosoever will may come and to as many as receive Him, to them gives He the right to call themselves the sons of God. Make Christ your own and look to Him to see you through.

More Beautiful to live with... Duracleaning

Come to our house - how our old rugs and furniture have actually taken on new life. We had them Duracleaned

For economy and convenience... have your upholstery and floor coverings Duracleaned by experts, right in your home. Watch the unusual care with which these craftsmen beautify your furnishings.

Duraclean means your fabric lasts longer because this modern, safe cleaning process avoids strong soaps and chemicals which so often harm the dyes or fabric. Longer life too, because there is no wear, no breaking of fibers caused by machine scrubbing.

This patent protected service is recommended by America's leading furniture and department stores.

What Makes Duraclean "Different"

It cleans by absorption! Embedded dirt and grit are first removed by "deep suction." Many cleaning methods leave enough dirt-laden soap in your rugs and upholstery to cause "misting" or "rapid re-soiling." Duracleaning avoids this.

The mild sanded Duraclean foam loosens and absorbs sticky soil and stains, holding this grime in suspension above the surface until removed.

No inconsequential Duracleaned fabrics are dry in just a few hours. Special ingredients re-newlen wool fibers. Rug pile unsmats and rises. Colors revive. Your fabrics are left clean, fresh, enlivened... your home is more beautiful to live with.

Duraproof—if you wish, you may at the same time have your floor coverings, upholstery, clothing or furs Duraproofed. You have 4 years protection against damage from moths and carpet beetles. Also protects against mildew. The annual cost is less than applying less effective moth solutions yourself. Have your fabric Duraproofed today—before damage develops.
