

WHO IS BEAVERTON'S LEADING LIFE INSURANCE MAN?

DANCE Saturday Nite PIANO STYLINGS By "TED" and Freddie Christensen On the Guitar Dinners Saturday Nite Only Legion Club Dining Room Beaverton Phone 4164

Barnes School Notes

4-H WOODWORKING CLUB Some of the boys of the 5th, 6th, 7th and 8th grades, with the help of Mr. Dallman, the leader, have organized a 4-H Woodworking Club. The president is Billy Peterson, 7th grade; vice president, Dick Brown, 8th grade; and secretary, John Taft of the 8th grade. Among the first projects will be a work bench, two sawhorses and a squared board 11 inches by 14 inches. NESKOWIN OUTING John Maffitt of the 8th grade left Friday night for Neskowin with the R. C. Angel family. They arrived at 1:30 Saturday morning. Saturday night they had a weiner roast on the beach. They saw many deer near Neskowin. PLAYGROUND EQUIPMENT Last year's playground equipment was put up Sunday afternoon by some of the men of the Barnes School District. OLD BUS STILL GOES The old bus we had last year which caused us so much pleasure and grief has been seen by several of the students of Barnes School. Someone bought the bus to haul cannery workers.

BOX SOCIAL NIGHT

There was a Box Social at the Barnes School, Friday night with square dances after the eating was over. Movies were shown and records played for the younger children. The P. T. A. made \$97.00 altogether. FROM VANCOUVER, B. C. Mrs. W. H. Kent from Vancouver, B. C. is visiting her son and daughter-in-law, Mr. and Mrs. W. H. Kent, 477 Seventh Avenue. She expects to stay the rest of this week. Sunday the Kent family drove to Corvallis to visit Bill, Jr., who is attending Oregon State College.

Over 8,000 Acres Offered to Vets For Homesteads

Eighty-six farm units totaling 8,283 acres of irrigable land in the Tule Lake division of the Klamath project are being offered as homesteads to World War II veterans with farm experience and other qualifications, the Oregon Department of Veterans' Affairs said today. Public Notice No. 47 announcing the opening has been released by the Bureau of Reclamation, setting the deadline for filing ap-

plications at 2:00 p.m., December 20. Veterans should write the district manager, Bureau of Reclamation, P. O. Box 312, Klamath Falls, for necessary application blanks and detailed instructions. Veterans' county service officers also have full information. Veterans must have two years of farm experience, the equivalent of \$2000 in capital or farm equipment, character references and must intend to farm as an occupation. Applicants are cautioned to read the instructions carefully to avoid a repetition of last year's many rejections due to incomplete information on the application form. The Klamath project is located southeast of Klamath Falls on the Oregon-California border. The climate, according to the reclamation bureau's information, is semi-arid, offering an annual precipitation of about ten inches. "A 100-day growing season may be cut down by killing frosts as late as June, as early as August. The area is, therefore, not suitable for fruit or long-season crops," the bureau says. Settlers will be assisted by the bureau and farm agencies in laying out farm fields and irrigation systems; leveling, developing domestic water supplies; crops and livestock production, and construction of farm buildings. Each settler also will receive, free, two barrack-type buildings and certain hand tools and furnishings.

BEAVERTON High Lights

With varied emotions the students in the physical education classes have generally accepted the Friday program of dancing lessons taught by Mrs. Reva Covert, girls physical education health teacher, and professional dancing instructor. The mixed classes are at present learning fundamentals of ballroom dancing, which will be used in the more complicated dances and dance steps to follow. The program will later include folk and square dancing. SHOULD HAVE READ In last week's column golf club officers should have read: Don Duffield, president; Jack Knutsen, vice president; Paul Strandberg, secretary-treasurer; Roger Murch, tournament manager. Y-TEEN DATE SET Because six-weeks tests are this week, the date of the Y-Teen recognition service scheduled for last Tuesday, was set ahead to Wednesday, October 14 at 4 o'clock. The service will be held in the First Congregational Church of Beaverton instead of the White Temple. A banquet and entertainment under the direction of Connie Byrd social chairman and Lois Peterkotal, program chairman, is planned for later at the church.

H S News Writers Vie in Frantic Race for Inches

The advanced journalism class of Beaverton union high school is having an "inch race". Each of the ten Hummer staff members is trying for more column-inches in the Hummer than anyone else. The recent issue of the Hummer proved that Joe Rigert, editor-in-chief and sports editor, is leading with 48 inches, and Bill Moore, advertising manager, is close second with 40 inches. An inch of type equals about 40 words. Entered in the race-of-inches are: Joe "Rocket" Rigert, editor-in-chief, Bill "Dummy" Moore, advertising manager, Helen "Slug" Stevens, reporter, Betty "Scoop" Moshofsky, news editor, Terry "Jim Dash" Howell, business manager, Gerald "Dope" Morford, circulation manager, Susannah "Dingbat" Difani, reporter, Nancy "Deadline" O'Conner, feature editor, John "Dead" Comer, assistant advertising manager and Fannie Lee "Dash" Zook, reporter.

Gr. School Flag Football Players Defeat Hillsboro

The Beaverton grade school flag football team won its first victory of the year when Hillsboro Junior High School was defeated by a score of 20-7, last Friday. Hillsboro scored in the first two minutes of play following a series of line punches and end runs and added the extra point with a pass. Beaverton's first score was made by Albert Terry who took a short pass from Claris Poppert and ran fifty yards to score. The try for a point was no good. In the second half, Claris Poppert scored on a bootleg play. Beaverton made the final touchdown in the last quarter when Tom Oldenburg received a pass from Claris Poppert and ran forty yards for the touchdown. This week Beaverton plays Tigard at Beaverton at 3:00 in the afternoon, Friday.

10 Precautions to Safeguard Lives Hunter Accidents

Already the first report of a hunting fatality has come in from our neighboring state, California. The unfortunate hunter, who was a veteran twice wounded in the Pacific, was killed by a hunter who stated that he had mistaken him for a deer. Reports such as this one from California have become far too numerous in recent years here in Oregon. In Oregon during the 1946 hunting season there were 13 hunting accidents, five of them being fatal. Last year during the regular hunting season we had 22 hunting accidents, seven of which resulted in fatalities. Looking over this list, it is impossible to find one that could not have been prevented if the simple rules of caution and care had been followed. The list gives causes such as the following: accidental discharge of gun, gun discharged while victim crossed a fence, mistaken for deer, mistaken for bear, discharge of gun while victim was removing it from car, gun discharged after dropping. As we go into the hunting seasons for 1948, we know that there will be more hunters taking the field than ever before in the state of Oregon. Extra caution will be imperative. The rules are simple and easy to follow: Look before you shoot, make certain of your target; always make certain, some one might be in your line of fire; don't carry a loaded gun in your car; never point the muzzle of your gun at anyone. Above all remember that a loaded gun is dangerous, handle it with care. If we all take just a few seconds to make sure, if we all are just a bit more careful when we climb through a fence, we can prevent this useless loss of life. "It is my sincere hope that every hunter will follow the ten commandments of safety," stated C. A. Lockwood, Oregon state game supervisor. 1. Treat every gun with the respect due a loaded gun. This is the cardinal rule of gun safety. 2. Carry only empty guns, taken down or with the action open, into your automobile, camp and house. 3. Always be sure that the barrel and action are clear of obstructions. 4. Always carry your gun so that you can control the direction of the muzzle even if you stumble. 5. Be sure of your target before you pull the trigger. 6. Never point a gun at anything you do not want to shoot. 7. Never leave your gun unattended unless you unload it first. 8. Never climb a tree or a fence with a loaded gun. 9. Never shoot at a flat, hard surface or the surface of water. 10. Do not mix gunpowder and alcohol. Let's make the 1948 hunting season a safe hunting season!

They're Reading the Only Newspaper In the World That Gives A Darn About Your Community THE BEAVERTON ENTERPRISE

OF ALL THE THOUSANDS OF NEWSPAPERS in the United States and in the world, for that matter, ONLY ONE -- think of it -- only one -- concerns itself with the daily problems of Beaverton and the surrounding area.

THE ENTERPRISE comes to your door weekly, bringing you NEWS of the community you live in and news of the people you live with -- events that outside newspapers can have no great interest in and consequently do not chronicle.

When the City Council meets, a representative of The Enterprise sits in... When a lodge meeting, a marriage or a birth takes place in your community, you'll find it noted in your local paper. You'll find there too, news of your church, school and of your favorite sport.

The Enterprise believes that it renders a service to you by participating in and reporting the activities of this area. We hope you read and enjoy The Enterprise.

MAY WE SUGGEST that you tell your friends about it?
